Please arrest the parties that I named in my last and also if Steadmeter is there send him along to identify property stolen—

If not please instruct Officer in charge or Scout that goes to ~~arrest~~ them to obtain these articles viz. 4 sides of leather a shot gun — a mare, and learn where the meat is — you will probably receive similar instructions from Hd Qrts —

I will endeavor to ascertain who it was gave the information which resulted in some of men being killed last Friday on the road — As soon as the next ~~dispatch~~ from Hd Qrts comes for me send it me with as much dispatch as possible,

— The enclosed order is for you not me — Let Lillard report forthwith — send him order to that effect —

Yours &c.

William Seward
