Provost Marshal

Have any of the parties whose confession you sent me this morning — been tried by a Court Martial? I learn incidentally that Jonathan Smith has been or was to have been tried last week. perhaps others have been tried before your accession to the Prov Office.
Will you please send to this office under guard at 8 o'clock A.M. tomorrow Daniel Collie John Page & G. S. Robertson

Respectfully Yours

I return the prisoner sent me this morning. It seems that Colley & Green have been tried Court Martial and are waiting for judgment. I believe Osment is in the same condition
