We take pleasure in introducing to your acquaintance Mess. Geo St Prince C P Harris Baker Dinwiddie & Charles H Wright & John Haynes who are visiting Jackson Tn with a view of recovering some horses mules and other property taken from them by Command of Col R P Buckland. We do not hesitate in recommending them to your favourable Consideration as gentlemen, we have known them for many years as citizens of our County. Any statements

they may make to you in relation to property lost will be reliable — we further say to you that they have been secessionist — being since taken the Oath of allegiance and so far as we know have strictly observed the Same. a return of their property will very much oblige them

Very Respectfully,

Peter P Bell
