Oaths of Allegiance

Dec. 28

Taken off

We do solemnly swear that we will support, protect and defend the Constitution and Government of the United States against all enemies, whether domestic or foreign; that we will bear true faith, allegiance and loyalty to the same, any ordinance, resolution or law of any State Convention or Legislature to the Contrary notwithstanding; and further, that we will well and faithfully perform all the duties which may be required of us by the laws of the United States. And we take this oath freely and voluntarily, without any mental reservation or evasion whatsoever, with a full and clear understanding that Death, or other punishment by the judgment of a Military Commission, will be the penalty for the violation of this, my solemn oath and parole of honor. And I also swear that under no circumstances will we go beyond the Military lines of the United States forces.
