Remarks.

Col J. M. True
Comdg Post of Jackson Tenn

Sir

I have the honor to report the number of Refugees received at the Union House of Refuge - their names - ages & from what State. I find them in a very destitute condition, wanting for all the necessaries of life. They are very grateful for the provisions made for them, & express strong Union sentiments. You will observe that a large proportion of the Refugees are children - they are very ignorant, & if they are to remain at this Post any length of time, I would respectfully suggest the propriety of having some competent Convalescent from Gen Hospital detailed as teacher for the children. If deemed advisable I will arrange for same.

Respectfully Your Obt Servt.
