Provost Marshal's Office, District of Memphis,
16th Army Corps,

Memphis, Tenn., June 25th 1863.

Col.

Enclosed please find two cases viz: United States vs Mr R. Reese chg with smuggling & evidently guilty. He proposes if he can be released to disclose the parties who sold him the goods & will swear against them. In case of U. S. vs Miss Anna Richmond she admitted to me on trial she kept a House of assignation, but the proof alone is evidently sufficient to convict her of keeping a house of ill fame (from the number & character of the women)

Respectfully Yours
