Rcd No 216 ae 24 July 1863

To Maj. Gen. Hurlbut
Commanding 16th Army Corps

The undersigned citizens of Memphis respectfully shew to you that William Conner has been tried before a military commission in this city on the charge of killing one John Healy and that he is now under sentence of imprisonment for two years in the Alton prison. Mr. Conners is a citizen who hitherto hath born a good character for quietness, and has a large res=pectable, and helpless family left dependant on him for support. It is respectfully submitted that the testimony shows a moderate case; and this taken with his previous good character, and the helpless family are respectfully subm=itted to your consideration in hopes of a pardon or remission of said term of imprisonment.
