Rec'd Hd Qrs. 2d Div. 16th A.C. Feby 14th 1864

Assistant Quartermaster's Office.

Pulaski, Tennessee. February 14th, 1864.

Captain:

I have the honor to acknowledge receipt of orders from Head Quarters 2nd Division, 16th Army Corps, presented by Mrs. Ergan, Mrs. Burdon ~~and~~ Mrs. Dukins and others, requesting me to let them have animals to take the place of some said to have been taken by our troops.

I regret that I am unable to comply, by donating the Government stock as desired - as all the unserviceable Government stock in my possession has been inventoried by me, condemned by Inspector General, and reported for an order to sell at auction.

All orders hereafter affecting the issuing of Government stock you will please accompany with a "Special Requisition" or Invoice and Receipts for same.

I am Captain,

Very Respectfully,

Your obedient servant.
