Athville July 28th 1864.

Capt. Potts:

Dear Sir:

This note will be handed you by M. C. McKinney & J. C. Apples of Jackson & Putnam Counties. They wish to take the amnesty oath & get protection papers. They are very honest & clever citizens & may be fully trusted in any promise they may make. I hope you will find it consistent with the public interest to grant them such favors as they may ask.

Yours truly

Jordan Stokes
