We are entirely destitute of most of the necessary articles in our line of business.

The building is owned by one of the party.

Kennedy v. McCorkle.

Ask information in regard to the order limiting their business.

Brig. Genl. Wm. D. Whipple

Sir

We have the honor to request a definition of the enclosed ord of limitation of our business recd from you on the 10th inst.

As things exist in Chattanooga at present, there is little or no prescription business (properly so called) going on, because family life, from which it flowed, is broken up, our business, as at present conducted, consists of small sales of Drugs, & Medicines, and the usual legitimate routine of a retail Drug and Apothecary trade.

A strict observance of Your ordr would therefore, close us up, because the purchas of articles in our line is no longer made through prescriptions but without them,

We have the honor to be, with the utmost Respect Your obdt Servts

Kennedy & McCorkle

Genl.

We desire simply to supply by retail our customers of town, & vacinity, with and Drugs & Medicines as they may need for family use, We have taken an oath, (solemn & binding) in no way to aid the rebellion.

Respectfully

Kennedy & McCorkle
