INTRODUCTION

The Ellis M. Goodwin Genealogical Collection consists of twelve volumes of genealogical data in two Hollinger manuscript boxes. Box one holds volumes 1 through 6, and box two holds volumes 7 through 12. The collections occupies .84 cubic feet of shelf space.

The collection includes data on the family of Andrew Jackson, as well as data for the Allison, Averitt, Baker, Bennet, Blackman, Boddie, Brown, Bryan, Craford (Crawford), Crow, Griffin, Hutchison, Ireland, Johnston, Lee, Leslie, Peek, Simmons, Thomas, Warren, Wood, and other families primarily in North Carolina, but also in Ireland, Virginia, south Carolina, and Tennessee. Volume one through eight is indexed; volumes nine through twelve are not.

There are no restrictions on use of the collection, and single copies of items may be made for individual or scholarly use.
