**Event Description:** Tickets will be sold for \$50.00 which will entitle the holder to a specific number. The holder has a ticket stub with a unique number between 1 and 300. The Foundation has the other part of the stub with the number and the name of the holder. We use a round metal cage that contains 300 numbered balls. Each ball contains a unique number that matches a ticket number. The cage is mounted on a stand and has a handle that rotates the cage. When the rotation stops one ball falls out at random. The number on each ball is called out, until 297 balls have been dropped from the cage. The last three balls dropped are, in order, the third prize winner, the second prize winner, and the grand prize.
