Event Description: Raffle tickets will be sold at \$100.00 each for a chance to win \$10,000 grand prize. At our event, Slimfest, a reverse raffle will be held whereas the last ticket drawn will be declared the winner of the grand prize. The system we follow each year to draw the winning ticket is as follows: Compile a master list of tickets that have been sold, and place the ticket stubs in a rotating drum and mix them up. A ticket will be drawn from the drum and stamped with the time the ticket was drawn. Ticket numbers will then be crossed off the public display board and written down in the order they are pulled. This Assembly line is manned by 6-8 adults until the last ticket is drawn and a winner is declared.
