1 ball for \$3.00 / 3 balls for \$5.00 / 5 balls for \$10.00

**Event Description:** The balls will be sold by Karns Lions Club Members and sold by our pool manager at our pool entrance starting no earlier than 120 days prior to the event in August 2015. When a ball is sold the buyer's name and phone number will be recorded on an official numbered list and they will be the owner of that number when the event takes place. There will be a numbered written on each ball that corresponds with the name of the person who purchased the ball.

The balls will be placed randomly in plastic bags once the numbers are recorded on the balls.

The swimming pool will be lined from east to west with floating styrofoam noodles 30 foot apart. The course is 100 foot long, so the noodles will get closer together as they start reaching the end of the course. The balls will be dropped into the pool by Karns Lion Club Members and the balls will be helped along by leaf blowers and Karns Lions Club Members making waves in the pool not making any contact with any of the balls. The end of the course will be funneled down to where only one ball at a time will be able to cross the finish line.

There the President of the Karns Lions Club (Mark Woody) and the Secretary (Tony Wright) will record the winning first (10) numbers in order as they come across the finish line. Those numbers will be cross referenced with the official list of buyers and then those winners will be awarded the prizes set for the event. The winners do not have to be present to win.
