Event Description: Each ticket for the reverse raffle will be sold either prior to the event or at the door. Our goal is to sell 300 tickets at \$50.00 each. The tickets are placed in a large spinning drum which will be located on a stage in front of the audience. Board members will pull out a ticket one at a time, spinning the drum in between each draw and calling out the number letting the individuals know their ticket was drawn. They will continue this until the last ticket is drawn. The last ticket pulled is the winner of the event. You do not have to be present to win.
