Event Description: Sell 250 individually numbered golf balls for \$20.00 each throughout the evening. The golf balls will be located in one clear container and at least two volunteers will be in charge of the container the entire evening, one person collecting the \$20.00 per ball and one person allowing each purchaser to pucker their ball(s) out of the large container.
At the end of the evening, the winning number will be drawn from a separate container, matching exactly the same numbers on the golf balls. A Jordan Thomas Foundation child recipient will draw the winning number. The winner must be present to win. If the winner is not present, we will continue drawing until a winner is present.
