**Event Description:** Raffle tickets are numbered 1-600 and are comprised for two parts; the portion retained by the purchaser and the actual ticket stub, which is placed into the drawing. Raffle tickets sales will cease at a predetermined time on the night of the event. At that time, ticket stubs will be counted, verified on the ticket purchase roster, and placed into the raffle drum. Tickets will be thoroughly mixed in the raffle drum prior to any stubs being drawn. A member of the Dawn of Hope Foundation Board will draw the raffle tickets. Every 25th ticket drawn from the drum will win a smaller cash prize amount. The final ticket drawn from the raffle drum wins the \$10,000.00 cash grand prize.  
To redeem cash prizes, ticket holders will be required to present

and surrender their tickets to a review team. Prior to receiving cash prizes, all presented tickets will be closely evaluated to ensure numbers match on the purchaser's retained portion of the ticket and on the winning ticket stub pulled from the drum. Prize winners do not need to be present to win.
