Event Description: We will sell 150 bones for \$100.00 each. The bones are packaged bone-shaped dog treats. We label each bone package with the purchaser's name. On the day of the event, the bones are placed into a box and carried to the top of a fire truck ladder by a fireman. The fireman dumps all of the bones out at once and they fall onto a target placed on the ground. The owner of the bone that lands closest to the center of the target wins the prize of \$5,000.00. The winner does not have to be present to win.
