**Price per Ticket,
Share, Chance/Other** \$25.00

Event Description: We will sell tickets for dinner for the whole family and a chance to win \$2,500.00. We combine this with Halloween to make it more festive. They can split the money if it gets down to 3 to 4 people if they all agree. All numbers are put into a barrel type container and turned every draw. Last ticket drawn is the winner. Earl Ray chairperson will check the tickets and pull the ticket out of the barrel, then reads number pulled. Number also comes off the list. Tickets is then thrown away. A board will have 300 numbers corresponding with the tickets. We will have 2 people checking tickets and taking the tickets off the board as the ticket numbers are called.

The prize winners do not have to be present to win.
