Event Description: Tickets will be developed and printed based on prize. Each raffle ticket purchased by a buyer will have its own number and match another ticket with the same number, which our organization will keep in order to choose a winner. We will have our tickets printed and keep track of the copy for each ticket that's sold and include the name and contact information for each buyer with their ticket number. The tickets will be drawn by the President of the Minerva Foundation. The raffle tickets will be drawn from a large, rotating raffle drum with a lock.

Winners do not have to be present to win and will be notified of their

winnings and provisions made to secure their prize.
