Information on each person buying a ticket will be collected. We will get phone number, address and email. Persons will not be required to be present to win. All ticket stubs will be placed on a large board. There will be small balls with numbers that reflect all tickets sold. These balls will be placed in a turning tumbling wire cage. Over the course of the evening Jimmy Wilson graduate of the University of the South and owner of the Blue Chair will draw the small balls with numbers out. As each number is drawn the ticket stub on the board will be taken off. The goal is to be the last number drawn. The grand price for the last number
