Event Description: We will sell tickets that correspond with a number ball. We will put all balls in a container/bag. The balls will be dropped from a top a Fire Truck ladder roughly 20 feet in the air. Below the Fire Truck ladder there will be a drop zone that will contain a coned container. The ball that is in the container after the balls are dropped wins the prize. The winner does not have to be present to win. If we are unable to get an in-kind donation a cash prize will be awarded to the winner.
