**Price per Ticket,
Share, Chance/Other** \$100.00

Event Description: We will attempt to sell up to 350 tickets for \$100.00 each. At the event, we will have dinner and put all the sold tickets stubs in a drum. John Duggins and Mike Babcock will take turns drawing out the ticket stubs one at a time. The first ticket wins \$500 cash. We will then draw tickets out until we are down to ten. The final ten can choose to split \$10,000 grand prize or keep drawing. If they choose to split, each wins \$1,000, or the drawing will continue until the remaining ticket holders choose to split the grand prize. (The decision to split must be unanimous.) Ticket holders do not have to be present to win.
