Event Description: Tickets are sold for \$150.00 each and allow two people to attend. For each ticket sold, there will be a ping pong ball with a corresponding number that will match the number on the ticket. Every ticket sold or unsold will be accounted for prior to the start of the reverse raffle. These balls will be placed in a tumbler and drawn at random and numbers called out to the audience. The balls reflecting the winning numbers will decide the winner of the predetermined cash prizes. The last remaining ping pong ball in the tumbler will be drawn and the winner announced. Board of directors will be drawing tickets. Most prizes, including the grand prize are not required to be present.
