**Re: Proposed Rule 1340-08-01-.04
Rules and Regulations for AccessTN Public Records, Sale of Motor Vehicle Records**

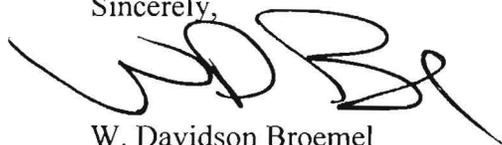

Dear Mr. Crownover:

On behalf of the American Insurance Association, I am requesting a Rulemaking Hearing pursuant to the provisions of T.C.A. 4-5-202(3)(b). The proposed Rule 1340-08-01-.04, Sale of Motor Vehicle Records was filed on September 21, 2009, as a proposed rule in lieu of rulemaking hearing.

The American Insurance Association is a trade association of more than 25 members and represents many of the property and casualty insurance companies writing automobile insurance in Tennessee, and will be affected by the proposed rule.

The underwriting of automobile insurance depends on access to motor vehicle reports in a timely and economical way, and we would like an opportunity to make our news known at a rulemaking hearing. We have concerns that the rule will increase costs to insureds and make insurance less affordable in Tennessee, and request that it not become effective without further study and hearing.

Sincerely,

W. Davidson Broemel
