0250-4-9-.01 LEGAL BASIS FOR LICENSING

- (1) GENERAL: The legal basis for licensing is contained in T.C.A. §§71-3-501 through 71-3-527.
- (2) DEFINITIONS: For the purposes of clarification, the following definitions are given and will hereafter be used.
 - (a) "Child-placing agency" shall mean any institution, society, agency, corporation, or facility which places children in foster homes for temporary care or for adoption. A license issued to a child-placing agency shall also include all boarding homes and family day care homes approved, supervised, and used by the licensed agency as part of its work.
 - (b) Department - The Tennessee Department of Children's Services
 - (c) Commissioner - The Commissioner of the Department of Children's Services
 - (d) Child - A person under 17 years or age
 - (e) Staff - Full time and part time employees
 - (f) Law - *Tennessee Code Annotated*, §§71-3-501 through 71-3-527
 - (g) License - A yearly permit issued to an agency giving care to children. Licensing is based on achievement in meeting required standards developed and published by the Department.
- (3) BASIS FOR APPROVAL FOR LICENSE: All child welfare agencies as defined in §71-3-504, shall be licensed annually by the Department, said license to be based on standards developed and published for each child welfare agency in accordance with the following six points of excellence
 - (a) The present need for the proposed child welfare agency
 - (b) The good character and intention of the applicant
 - (c) The adequate financing of the organization
 - (d) The capability, training, and experience of the workers employed
 - (e) The facilities for and the methods of care provided, and the consideration of the best interest of the child and the welfare of society in any placements of children to be made
 - (f) The probability of permanence of the child welfare agency
- (4) LICENSING PROCEDURE:
 - (a) Application for license shall be made to the Department upon blanks furnished by it. Upon receipt of the application for a license, the Department shall issue such child welfare agency a conditional license which shall be valid for a period of 90 days from the date of issuance; provided, that the staff and facility do not present any apparent hazards to any children that may be in care and that the facility has received fire safety and environmental sanitation

(Rule 0250-4-9-.01, continued)

approval. At the end of the 90 day period, upon evidence provided by the applicant/licensee that such child welfare agency is suitable and properly managed as such, the Department shall issue such agency a license which shall be valid for a period of one year; provided, however, such license may at any time be revoked by the Department upon 90 days notice being given to the licensee.

1. A processing fee for such applications shall be assessed by the Department and submitted by the agency with the application in accordance with the following schedule:

| | |
|--|---------|
| Any Child Caring or Child Placing Agency | \$10.00 |
| Maternity Home | 10.00 |
| Runaway Shelter | 10.00 |
| Emergency Shelter | 10.00 |
| Child Abuse Agencies | 10.00 |

- (b) When an application for a license has been denied or a license has been revoked on one occasion, the agency may reapply for a period of 60 days from the date of the denial of revocation. If such license has been denied or revoked on two occasions, the agency may not reapply for a period of six months. If such license has been denied or revoked on three or more occasions, the agency may not reapply for a period of 12 months. The Department may waive the time restrictions herein upon a showing by the agency to the satisfaction of the Department that the agency has corrected the deficiencies which led to the denial or revocation.
- (c) Upon written notice to the applicant that a request for a license has been denied, such applicant may request a hearing before the board of review. Such request must be made in writing and must be filed within 10 days of the mailing date of the notice of denial. Such hearing must be granted at the next regular meeting of said board of review provided, however, that no longer than 60 days shall elapse after such request and before such hearing.
- (d) If a license is issued, revocation can be had at any time before expiration date upon 90 days notice by the Commissioner of the Department, such notice to contain a statement of causes for revocation. The licensee may upon a written notice of revocation, receive a hearing before the board of review; provided that such review shall be within the 90 day period set out in the notice of revocation.
- (e) Any child welfare agency, as defined in §71-3-501 operating without being so licensed by the Department shall be guilty of a misdemeanor and shall be fined not less than \$50 nor more than \$200 for each such offense. Each day of operation without a license shall constitute a separate offense.
- (f) It shall be the duty of the Department, through its duly authorized agents, to inspect at regular intervals without previous notice all child welfare agencies, as defined in §71-3-501, within the state. It is given right of entrance, privilege of inspection, access to accounts and records, information regarding the whereabouts of children under care for the purpose of ascertaining the kind and quantity of work done to obtain a proper basis for its decision and recommendations. Any violation of the rights given in this section shall be a misdemeanor.
- (g) Notwithstanding the provisions of T.C.A. §71-3-527, the Department shall have the following authority and responsibilities in any case in which the Department receives a report of harm in accordance with Chapter 4 or Chapter 6 of Title 37 of T.C.A..
 1. The Department shall have the authority and responsibility to fully investigate in accordance with the provisions of Chapter 4 or Chapter 6 of Title 37 any allegation of abuse, neglect, or sexual abuse which it receives regarding any child or children in the care of any agency or person whether or not such agency or person is subject to licensure hereunder. In the conduct of such investigation, the Department shall be granted access to the records of all children in the care of the person or agency and personnel files of the director and all employees of the person or agency, shall be allowed to inspect all premises in which children are kept or cared for and shall be allowed to interview any and all children in the care of such person or agency if the Department determines such interviews are necessary.

(Rule 0250-4-9-.01, continued)

2. If the Department determines that abuse, neglect, or sexual abuse has occurred and the person or agency fails to take appropriate action to prevent future abuse, neglect, or sexual abuse, the Department shall take such action as may be necessary to revoke, suspend, or deny the agency's license. If the person or agency is not licensed or not subject to licensure, the Department may proceed to bring an action in the Chancery Court of the county of the defendant's residence or the county in which the abuse, neglect, or sexual abuse occurred to enjoin the person or agency or any individual found by the Department to have been responsible for the abuse, neglect, or sexual abuse from continuing to provide care for children on a full-time or part-time basis.
- (5) **PUBLIC AGENCIES:** Any child welfare agency, as defined in §71-3-501, which is under the direct management of an administrative department of the state, a county or a municipality, or any combination of these three, shall not be subject to license but shall meet the minimum standards of program and care as required of such child welfare agencies. The Commissioner of the Department, through his authorized agent, shall make periodic inspections of such public administrative child welfare agencies. The report of such inspections and recommendations shall be made privately to the executive head of the public administrative child welfare agency, the board of directors, if any, and/or the division of the state; county or municipal government which has the duty under the law to operate such agency. It shall be the duty of the Department to cooperate with the public administrative agencies herein referred to, to the end that such recommended changes in program and policies can be adopted. If within a reasonable time, such standards and recommendations are not met, it shall be the duty of the Commissioner of the Department to make public in the community in which this agency is located, the report of the above mentioned inspection. If any serious abuses, dereliction, or deficiencies are found and are not corrected within a reasonable time, the same shall be reported in writing to the next session of the legislature.
 - (6) **FOSTER CARE LEGISLATION:** The foster care review law, T.C.A. §71-3-524 requires the development of plans for each child in foster care including long-term agreements, establishes procedures for periodic review boards in each county. Amendments to the Licensing Law in 1978 establish a method for periodic review of foster care custody that will provide for termination or continuation of custody in accordance with the findings of the review. A plan must be submitted on each child in foster care placement within 30 days of the original date the child has been placed in foster care. This is to be submitted regardless of whether the child is in care by court order or voluntary placement agreement. The plan is to be submitted to the Juvenile Court having jurisdiction over the child. Within 90 days of the date of foster care placement, and not less than every 6 months thereafter while the child remains in foster care, the agency shall submit a report to the court or foster care review board enumerating progress or lack of progress made toward the goals in the original plan. Each plan must be submitted, reevaluated, and updated annually. After 18 months of foster care placement, in addition to the above mentioned plans and reports, the agency must request a hearing in court to evaluate further plans for the child.
 - (7) **REPORTING OF BRUTALITY, ABUSE, NEGLECT, OR CHILD SEXUAL ABUSE:**
 - (a) Any person, including but not limited to any:
 1. Physician, osteopath, medical examiner, chiropractor, nurse, or hospital personnel engaged in the admission, examination, care, or treatment of persons;
 2. Health or mental health professional other than one listed in subdivision (a)(1);
 3. Practitioner who relies solely on spiritual means for healing;
 4. School teacher or other school official or personnel;
 5. Judges of all courts of the state;
 6. Social worker, day care center worker, or other professional child care, foster care, residential or institutional worker;
 7. Law enforcement officer; or
 8. Neighbor, relative, friend, or any other person who knows or has reasonable cause to suspect, that a child has been sexually abused shall report such knowledge or suspicion

(Rule 0250-4-9-.01, continued)

to the Department in the manner prescribed in subsection (b); having knowledge of or called upon to render aid to any child who is suffering from or has sustained any wound, injury, disability or physical or mental condition which is of such a nature as to reasonably indicate that it has been caused by brutality, abuse or neglect or which on the basis of available information reasonably appears to have been caused by brutality, abuse, or neglect, shall report such harm immediately by telephone or otherwise to the judge having juvenile jurisdiction or to the county office of the sheriff or the chief law enforcement official of the municipality where the child resides. Any person, including judges of all courts of this state, who knows or has reasonable cause to suspect that a child has been sexually abused shall report such information in accordance with Acts 1985, Ch. 478, relative to the sexual abuse of children, regardless of whether such person knows or believes that the child has sustained any apparent injury as a result of such abuse.

- (b) If a hospital, clinic, school, or any other organization responsible for the care of children has a specific procedure approved by the director of the county office of the Department, for the protection of children who are victims of brutality, abuse, or neglect, any members of its staff whose duty to report under the preceding sentence arises from the performance of his services as a member of the staff of the organization may, at his option, fulfill that duty by reporting instead to the person in charge of the organization or his designee who shall make the report in accordance with the preceding sentence.
 - (c) The report shall include, to the extent known by the reporter, the name, address, and age of the child, the name and address of the person responsible for the care of the child, and the facts requiring the report. The report may include any other pertinent information.
 - (d) If a law enforcement official or judge becomes aware of known or suspected child abuse through personal knowledge, receipt of a report, or otherwise, such information shall be reported to the Department immediately, and where appropriate, the child protective team shall be notified to investigate the report for the protection of the child in accordance with the provisions of this part. Further criminal investigation by such official shall be appropriately conducted in coordination with the team or Department to the maximum extent possible.
 - (e) Any person required to report or investigate cases of suspected child abuse who has reasonable cause to suspect that a child died as a result of child abuse shall report his suspicion to the appropriate medical examiner. The medical examiner shall accept the report for investigation and shall report his findings, in writing, to the local law enforcement agency, the appropriate district attorney, and the Department. Autopsy reports maintained by the medical examiner shall not be subject to the confidentiality requirements provided for in §37-1-409.
 - (f) Reports involving known or suspected institutional child sexual abuse shall be made and received in the same manner as all other reports made pursuant to Acts 1985, Ch. 478 relative to the sexual abuse of children. Investigations of institutional child sexual abuse shall be conducted in accordance with the provisions of §37-1-608.
 - (g) Every physician or other person who makes a diagnosis of, or treats, or prescribes for any venereal disease set out in §68-10-101, or venereal herpes and chlamydia, in children 13 years or younger, and every superintendent or manager of a clinic; dispensary or charitable or penal institution, in which there is a case of any of the diseases, as set out in this subsection, in children 13 years of age or younger shall report the case immediately, in writing on a form supplied by the Department of Health and Environment to that Department. If the reported cases are confirmed and if sexual abuse is suspected, the Department of Health and Environment will report the case to the Department of Children's Services. The Department of Children's Services will be responsible for any necessary follow-up.
- (8) VIOLATIONS-PENALTIES
- (a) Any person required to report known or suspected child sexual abuse who knowingly and willfully fails to do so, or who knowingly and willfully prevents another person from doing so, is guilty of a misdemeanor.

(Rule 0250-4-9-.01, continued)

- (b) Any person who knowingly and willfully makes public or discloses any confidential information contained in the abuse registry or in the records of any child sexual abuse case, except as provided in Acts 1985, Ch. 478, is guilty of a misdemeanor. (Acts 1985, Ch. 478, Section 16.)

(9) PLACEMENT IN TEMPORARY HOMES OR FOR ADOPTION

Private individuals including midwives, physicians, nurses, hospital officials, lawyers, and the officials of any nonchartered and/or nonlicensed child-caring institution, child-placing agency, or maternity home, are forbidden to engage in placing children for temporary care or for adoption. Violation of this restriction shall be punishable by fine of not less than \$100 and no more than \$500 for each offense.

(10) AMENDED ADOPTION LAW

No person, corporation, or agency except the Department of Children's Services or an agency licensed by the Department as a child-placing agency shall engage in placing children for adoption; provided however, this section shall not be construed to prohibit any person from advising a natural or prospective adoptive parents of the availability of adoption or from acting as an agent for the natural or prospective adoptive parents in making necessary arrangements for adoption so long as no fees are charged for such service other than the usual and customary legal and medical fees in connection with the birth of the child and the legal proceedings relative to adoption. Any court of competent jurisdiction, upon the filing of a verified bill for injunction, by the State of Tennessee, on behalf of the State Department of Children's Services or by an agency, or by any person aggrieved, may temporarily enjoin or restrain any person, corporation, or agency, from engaging or attempting to engage in placing children for adoption in violation or threatened violation, of the chapter of T.C.A. relative to adoption and upon final hearing, if the court determines that there has been a violation, or threatened violation, thereof, the injunction shall be made permanent.

Authority: T.C.A. §§4-5-226(b)(2); 14-10-104; 14-10-106 through 14-10-108; 14-10-113; 14-10-119; 14-10-121; 14-10-124; 14-10-125; 14-10-126; 37-1-615; 37-2-401 through 37-2-411; 37-5-101; 37-5-105; 37-5-105; 37-5-106; 37-5-112(a); 37-1203, 37-1212, 37-1502, 71-1-105 (12) and 71-3-501 through 71-3-530. **Administrative History:** Original rule certified June 10, 1974.  - (i) Attending board meetings and participating in all planning for the agency.
 - (ii) Seeing that the agency keeps accurate statistical reports that give the complete scope of the work of the agency.
 - (iii) Seeing that monthly and annual reports on forms furnished by the Tennessee Department of Children's Services are submitted, as well as any special reports that may be required from time to time.
 - (iv) Preparing the agency's budget in cooperation with the board and operating the agency within the budget approved by the board.
 - (v) Selecting, employing, training, and discharging all staff and supervising the daily management of the agency if another person has not been delegated the responsibility.
 - (vi) Communicating to the board information on the operation of the agency, unmet needs, and modern methods regarding child care services.
 - (vii) Implementing the policies of the board and bringing to the board's attention areas which require modification or change, and interpreting the agency's program to the community and giving professional leadership to the board in doing this job.
 - (viii) Maintaining adequate records on the administrative and fiscal operation of the agency.
 - (ix) The executive director or administrator must hold staff meetings at regular intervals and discuss plans and policies with his staff. He/she must secure adequate clerical staff to keep correspondence, records, bookkeeping, and files current and in good order.

(b) Casework Director

1. If the agency has a case work director in addition to a casework supervisor, he or she shall meet the qualifications for casework supervisor.
2. The casework director, or the casework supervisor, if there is no casework director, shall be responsible for administering the casework program and participating in policy making relevant to the casework program. He or she shall be accountable to the executive director.

(c) Casework Supervisor

1. The casework supervisor shall have a master's degree in social work and two years experience in the provision of foster care or adoption services. An equivalent degree in a

(Rule 0250-4-9-.04, continued)

related Children's Services field such as psychology or guidance and counseling may be substituted for the master's degree in social work. In that case three years of experience in foster care or adoption is required.

2. Each full time casework supervisor shall supervise no more than eight individuals.

(d) Caseworker

1. The caseworker shall provide casework services as set forth in §0250-4-9-.05: Placement Services to Children, Pregnant Women and Their Families.

2. The caseworker shall have graduated from an accredited four-year college or university. The degree shall include or be supplemented by 27 quarter hours in behavioral sciences, such as social work, psychology, and sociology. One year of casework experience can be substituted for the 27 quarter hours.

3. If there is only one caseworker, he or she shall meet the qualifications for the casework supervisor.

(e) Case aides and other assisting in service delivery shall have specific job assignments.

(f) Volunteers who work directly with children.

1. Volunteers, if used in direct services to children, must undergo a process of application to ensure that they are of such character, health, and competence as to meet the agency's needs.

2. Volunteers shall have the same qualifications as paid staff performing comparable duties.

3. A program of ongoing training and orientation to the philosophies and practices of the agency shall be provided each volunteer within the agency.

4. Adequate supervision of volunteers shall be provided by paid staff.

5. An individual file including the application to participate as a volunteer; and letters of reference shall be maintained by the agency on each volunteer.

(6) There may be child-placing agencies which are in the developmental stage or which limit their services to few children and their families. When it is not feasible for such an agency to employ full time casework staff, provision for part time casework staff shall be made in the following manner. There shall be ten hours per week of casework services for each increment of eight children being served. There shall be specific provision for weekly office hours and for emergencies. Part time staff shall meet the qualifications for full time staff.

(7) Whenever a child-placing agency has an adoptive or foster home study which is conducted by other than agency staff, or an adoptive or foster home placement which is supervised by other than agency staff, these services shall be provided by another licensed child-placing agency with whom there is a written agreement, or by written agreement with an individual who meets the qualifications for casework supervisor.

0250-4-9-.05 PLACEMENT SERVICES TO CHILDREN, PREGNANT WOMEN AND THEIR FAMILIES.

- (1) Applicable to all recipients of foster care services to children, adoptive services to children and families, and/or maternity services in foster care.
 - (a) Admission and Discharge Policies and Procedures

The agency must have written policy and procedures for admission and discharge which must be available to all appropriate parties involved with the child.

 1. Admission

Admission criteria must include the following:

 - (i) A description of the population served, defined needs of this population, and a description of agency services related to these needs.
 - (ii) A positional statement when appropriate that surrender for adoption is not a criteria for admission.
 - (iii) A defined preadmission summary which must require a written evaluation addressing the appropriateness of resident needs to agency services.
 - (iv) A description or agreed upon preplacement procedures which must include preplacement visits when feasible.
 2. Discharge

Discharge policy must set forth the legal requirement that an adjudicated custody transfer may only be made through court action after proper investigation by a designated agency. Discharge criteria must require.

 - (i) A description of conditions under which a resident may be discharged.
 - (ii) A description of procedures for preparing a child for discharge to include designated time frames.
 - (iii) A documented discharge plan which addresses the resident's continuing needs and planned services to meet these needs.
 - (iv) Provision for a written agreement assuming responsibility for the child to be signed by the resident's legal custodian.
 - (b) Admission of a child from another state shall be in accordance with the Interstate Compact on the Placement of Children and the Tennessee Child Sexual Abuse Law.
 - (c) Children or pregnant women shall be accepted by written application signed by the person or agency representative having legal authority to do so.
 - (d) Ongoing casework services with specific goals and time frames shall be part of the total services to children or pregnant women.
 - (e) The agency's policies regarding religious practices and gifts, visits, mail, and telephone calls between the child or pregnant women and their families shall be given to the family in writing prior to admission.
 - (f) Discipline: Agencies shall develop general discipline policy which identifies the type of children served, describes the anticipated behavioral problems of this population, sets forth acceptable methods of dealing with these behaviors, and details the required qualifications and training of staff working with the residents. All consequences of undesirable behavior shall be reasonable and consistent with the service plan for the resident. Discipline policies shall be explained to the parent or guardian and the child prior to admission.
 1. All discipline must be reasonable and responsibly related to the child's understanding, need, and level of behavior. All discipline shall be limited to the least restrictive appropriate method and administered by appropriately trained staff.

(Rule 0250-4-9-.05, continued)

2. Encouragement and praise of good behavior is often more effective than punishment, and is a must in disciplining a child. The child's acceptance of discipline and his/her ability to profit by it depends largely upon his/her feeling that he/she is liked, accepted, and respected.
 3. Any discipline must be determined on an individual basis and be related to the undesirable behavior. Requiring children to accept the natural consequences of their acts may be a desirable experience provided consequences are not too drastic.
 4. The agency shall have written policies and procedures prohibiting punishment which may adversely affect a child's health, physical, or psychological well being. A copy must be given to all residents, families, staff, and placing agencies. The following forms of punishment must not be used.
 - (i) Cruel and unusual punishment.
 - (ii) Assignment of excessive or inappropriate work.
 - (iii) Denial of meals, daily needs, and program provided by the individual service plan.
 - (iv) Verbal abuse, ridicule, or humiliation.
 - (v) Permitting a child to punish another child.
 - (vi) Chemical or mechanical restraints.
 - (vii) Denial of planned visits, telephone calls, or mail contacts with family.
 5. If corporal punishment is permitted, such policies and procedures must:
 - (i) Require the written consent of the parent, guardian, or legal custodian.
 - (ii) Require reporting of the corporal punishment incident to the agency's administration.
- (g) An agency shall not engage in practices which exploit the rights of children or pregnant women in care. These persons shall not be identified in connection with publicity for the agency unless a positive value accrues to them.
- (h) Children or pregnant women In foster care shall be visited monthly by the caseworker. At least quarterly, this visit shall take place at the home or facility where the child or pregnant woman is placed. Visits shall be documented in the case record.
- (i) The agency shall be responsible for children's school attendance in accordance with Tennessee Law.
- (j) Educational testing shall be provided when a need is indicated. The agency shall be responsible for making every reasonable effort to obtain testing and any indicated remedial services for the child.
- (k) The agency shall respect the total heritage and religious preference of a child or pregnant woman in care.
- (l) The agency shall make arrangements for each child to accumulate appropriate meaningful material such as photographs, clippings, artwork, and/or schoolwork which provide the child with tangible evidence of his/her foster care experience.
- (m) The agency shall provide each resident with a clear definition of their rights, obligations, and responsibilities including confidential aspects of their placement.
- (n) The agency shall conduct regular staffing sessions on each resident related to his/her progress future goals. These sessions shall include all appropriate personnel.
- (2) SERVICES TO CHILDREN IN FOSTER CARE

 - 4. Transitional preparation of child for placement.
 - 5. Foster home studies, ongoing training, and long-term support plan.
 - 6. Discharge
 - 7. Follow-up services
- (b) An intake and case planning study shall be completed in order to determine if removal of the child from his own home or present placement is necessary. If possible, this should be completed prior to acceptance of the child and, in any event, shall be completed within 30 days of placement. The study shall include:
 - 1. Information, as complete as possible, on the family situation. This information shall be obtained through interviews and from referral sources.
 - 2. Information on the child's developmental and health history, physical condition, personality, school placements, and adjustment.
 - 3. Evaluation of the past experiences and problems of the child to determine the service best suited to his/her needs.
 - 4. Immediate and long-range goals in respect to assisting the child and his family, including discharge and follow-up.
- (c) Except when an emergency exists, there shall be a planned procedure to prepare the child for placement, giving him time and opportunity to understand what is happening.
- (d) Unless there has been a termination of parents' rights, the agency shall encourage regularly scheduled contacts between parent and the child, except where it has been judicially determined that the visits are detrimental to the child.
- (e) Appropriate visitation shall also be arranged for sibling groups, or other extended family members.
- (f) An agency shall provide a complete health program for the children including:
 - 1. Screening for admission
 - (i) The agency shall obtain a report of a physical examination for each child. The examination shall be completed no more than six months prior to placement and no later than two weeks after placement.
 - (ii) The agency shall obtain a health history, including parental health history if available, and a record of immunizations.
 - 2. Ongoing medical care

(Rule 0250-4-9-.05, continued)

 - (iii) Children shall receive treatment from a physician when the need is indicated.
 - (iv) Children shall receive psychiatric or psychological services when a need is indicated.
 - (v) Children shall receive a sight and hearing evaluation within 45 days of placement.
3. A child shall have a complete physical examination within a month prior to an adoptive placement. A report of this examination shall be filed in the child's record.
- (g) Each child in an agency's care shall have clothing of his own, for his exclusive use which is comparable in quality and variety to that worn by other children in the neighborhood.
 - (h) Funds shall be available to meet the incidental expenses of children in care, such as haircuts, school supplies, and allowances.
- (3) SERVICES TO INFANTS IN FOSTER CARE AWAITING ADOPTION
- (a) Casework services to the birthmother prior to the birth of the child and follow-up services after placement shall be available.
 - (b) Intake services and case planning for the infant shall include the following:
 - 1. Information, as complete as possible, on the family background of the child and on the family situation.
 - 2. Information, as complete as possible on the health history of the child's family.
 - 3. Immediate goals in respect to the child and his birth family.
 - 4. Goals in respect to follow-up services.
 - (c) The agency shall provide a complete health program for the child. An infant in care must have a complete physical examination within a week prior to an adoptive placement. Written reports on all medical examinations shall be in the record.

 1. Information, as complete as possible, on the family situation. This information shall be obtained through interviews and from referral sources.
 2. Background information which will include physical description, family, social, and health history.
 3. Evaluation of the past experiences and problems of the pregnant women to determine the service best suited to serve her needs.
 4. Immediate and long-range goals in respect to assisting the pregnant woman and her family including discharge and follow-up.
 - (c) The pregnant woman shall receive regular prenatal care as prescribed by a physician.
 - (d) The pregnant woman shall receive health education appropriate to her needs which may include:
 1. Hygiene of pregnancy
 2. Preparation for childbirth
 3. Infant and child care
 4. Drug and alcohol use and abuse
 5. Family planning
 6. Sex education
 7. Parenting education
 - (e) The agency shall make reasonable efforts to find the alleged father.
 - (f) The agency shall offer services to both the pregnant woman and the alleged father. These services shall include:
 1. A clear definition of their rights, obligations, and responsibilities.
 2. A clear definition of the confidential aspects of the services provided for them and their child, and of the opportunity available to them at any time to waive their right of privacy if their child, upon reaching the age of maturity, wishes to know more about them or to see them.

0250-4-9-.11 INDEPENDENT LIVING PROGRAMS.

- (1) Definitions
 - (a) “Independent living” means the placement of 16 or 17 year old youths in community based living facilities with the goal of achieving independent life in the community. Such facilities include family boarding homes, group care homes, and foster homes, or other approved arrangements supervised by in-house staff. Except for annual fire and health inspections, these facilities when operated by a CPA agency would not be held to the same standards as those facilities dealing with other residents not in independent living facilities.
- (2) The agency shall develop a program statement which includes a description of the program, admission criteria, nature and frequency of supervision, and a provision for a periodic goal assessment.
 - (a) Residents are being monitored in their program activities.
 - (b) Physical environment is safe.
 - (c) Health needs of the residents are met.
- (4) There should be at least one in-house staff member for every 10 residents.
- (5) Records shall include the following:
 - (a) Identifying information
 - (b) Intake study
 - (c) Individual service plan including:
 - 1. Specification of services
 - 2. Roles and responsibilities of involved parties
 - (d) Medical consents
 - (e) Foster care plan
 - (f) Medical information
 - (g) Authority to provide service

0250-4-9-.12 OTHER AGENCY SERVICES.

- (1) Any child-placing agency which operates a boarding home, group care home, family day care home, or group day care home as part of its program shall be responsible for determining that the facility is in compliance with the applicable standards promulgated and adopted by the Department.
- (2) Records shall be kept on each boarding home, group care home, or day care facility operated by the agency. These records shall contain:
 - (a) Material relevant to health and fire safety inspection by the government agency conducting the inspection or by the agency staff person responsible for inspection when a government agency does not provide inspection.
 - (b) Narrative recording which shows that the standards have been officially reviewed and that requirements are being met at the facility. The recording shall reflect at least an annual review of standards.
 - (c) Any literature pertaining to the particular facility which is distributed to the public as means of promoting the facility or explaining its purpose.
- (3) For facilities housing independent living programs, (2)(b) and (2)(c) above do not apply.
