Good morning John,

I have been reviewing the next set of rules to be posted and I found a typographical error. On page 7 of the filing, the outline goes from (c) to (i) and (ii).

- (c) Death of a Designated Beneficiary. In the event of a Designated Beneficiary's death, the State shall make any outstanding payments for Qualified Disability Expenses. Subject to the outstanding payments and to the extent permitted by the Code:
  - (i) the funds remaining in an ABLE Account not in excess of the amount equal to the total medical assistance paid for the Designated Beneficiary after the establishment of the ABLE Account, net of any premiums paid from the ABLE Account or paid by or on behalf of the Designated Beneficiary to a Medicaid Buy-In program under any State Medicaid plan established under title XIX of the Social Security Act, shall be distributed to such State upon filing a claim for payment by such State; and
  - (ii) the Designated Beneficiary's Legal Representative, estate administrator, estate executor or next of kin may request a Distribution of any remaining moneys in the Designated Beneficiary's ABLE Account remaining after outstanding payments for Qualified Disability Expenses and payments pursuant to subdivision (i) in this paragraph, or may request an Account and Contract termination. In the event that a Person does not request a Distribution of the remaining funds or request an Account or Contract termination, then the remaining funds shall be payable to the Tennessee Department of Treasury's Unclaimed Property Division pursuant to title 66, chapter 29, part 1.

The proper outline format is (c) to 1. and 2.

- (c) Death of a Designated Beneficiary. In the event of a Designated Beneficiary's death, the State shall make any outstanding payments for Qualified Disability Expenses. Subject to the outstanding payments and to the extent permitted by the Code:
  - 1. the funds remaining in an ABLE Account not in excess of the amount equal to the total medical assistance paid for the Designated Beneficiary after the establishment of the

ABLE Account, net of any premiums paid from the ABLE Account or paid by or on behalf of the Designated Beneficiary to a Medicaid Buy-In program under any State Medicaid plan established under title XIX of the Social Security Act, shall be distributed to such State upon filing a claim for payment by such State; and

2. the Designated Beneficiary's Legal Representative, estate administrator, estate executor or next of kin may request a Distribution of any remaining moneys in the Designated Beneficiary's ABLE Account remaining after outstanding payments for Qualified Disability Expenses and payments pursuant to subdivision (i) in this paragraph, or may request an Account and Contract termination. In the event that a Person does not request a Distribution of the remaining funds or request an Account or Contract termination, then the remaining funds shall be payable to the Tennessee Department of Treasury's Unclaimed Property Division pursuant to title 66, chapter 29, part 1.

It appears that the two subparts were indented one tab too far. Can you confirm if this is a typographical error or if it should be posted as is? Please let me know how we should proceed.
