The Commission anticipates no probable effect to small businesses.

(4) A description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and/or objectives of the proposed rule that may exist, and to what extent, such alternative means might be less burdensome to small business;

The Commission is unaware of alternatives to the proposed rule and does not believe the rule as proposed would be burdensome to small businesses.

The Commission is not aware of any federal or state counterparts to this rule.
