Statement of Necessity:

Pursuant to T.C.A. § 4-5-208, the Commissioner of Commerce and Insurance is authorized to promulgate emergency rules in the event that the rules are required by an enactment of the general assembly within a prescribed period of time that precludes utilization of rulemaking procedures described elsewhere in T.C.A. Title 4, Chapter 5, for the promulgation of permanent rules.

Chapter 476 of the Public Acts of 2009 created a new licensure program for crop adjusters and required the Commissioner of Commerce and Insurance to promulgate rules and regulations to effectuate the purposes of the chapter. The Act states that no person shall act or hold out as being a crop insurance adjuster unless licensed as a crop insurance adjuster by the commissioner of the Department of Commerce and Insurance. Furthermore, the Act states that the commissioner shall promulgate rules for the qualifications for the issuance of a license and shall include standards for the completion of a course of instruction in adjusting crop insurance claims and the passing of an examination testing the applicant's knowledge of how to adjust crop insurance claims.

These rules are necessary for the Commissioner of Commerce and Insurance to establish application requirements and to begin accepting and considering applications for crop insurance adjusters so that the licensure program may commence after the Chapter 476 of the Public Acts of 2009 becomes effective on January 1, 2010.

After this Act became effective, the Commissioner was required to create a licensing and enforcement program for all of the crop adjusters in this State. To implement this new licensing and enforcement program, the Commissioner was required to develop internal procedures and policies and to train the applicable personnel. The January 1, 2010 effective date did not provide adequate time for the development of this program. Due to the length of time necessary to complete the rulemaking process and the mandate from the legislature in Chapter 476 of the Public Acts of 2009 to promulgate rules for the qualification for the issuance of a license,

these emergency rules are required in order for the Commissioner of Commerce and Insurance to comply with the enactment of Legislature and to ensure that the Commissioner of Commerce and Insurance has the resources necessary to implement the Act. The Commissioner of Commerce and Insurance will promptly conduct a rulemaking hearing to consider comments on the adoption of these as permanent rules.
