Regulatory Flexibility Addendum

Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process as described in T.C.A. § 4-5-202(a)(3) and T.C.A. § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses.

These rules will not affect small businesses. Although, some pharmacies qualify as small businesses, the changes to the controlled substances schedules promulgated by these rules should not change the daily operations of those pharmacies.

Economic Impact Statement

- 1) The type or types of small business and an identification and estimate of the number of small businesses subject to the proposed rule that would bear the cost of, or directly benefit from the proposed rule.

These rules will not affect small businesses.

- 2) The projected reporting, recordkeeping and other administrative costs required for compliance with the proposed rule, including the type of professional skills necessary for preparation of the report or record.

These rules will not affect reporting, recordkeeping, or other administrative costs of small businesses.

- 3) A statement of the probable effect on impacted small businesses and consumers.

These rules will not affect small businesses.

- 4) A description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and objectives of the proposed rule that may exist, and to what extent the alternative means might be less burdensome to small business.

There is no less burdensome, less intrusive or less costly alternative methods of achieving the purpose and objectives of the proposed rules.

- 5) A comparison of the proposed rule with any federal or state counterparts.

These rules compare favorably with the federal controlled substances schedules as T.C.A. § 39-17-403 requires the Tennessee Department of Mental Health and Substance Abuse Services (TDMHSAS) to schedule substances if those substances have been designated as controlled substances by federal regulations promulgated by the U.S. Department of Justice Drug Enforcement Administration (DEA), unless TDMHSAS, upon agreement with the Tennessee Department of Health (TDH), decides otherwise.

- 6) Analysis of the effect of the possible exemption of small businesses from all or any part of the requirements contained in the proposed rule.

These rules will not affect small businesses.

Impact on Local Governments

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments." (See Public Chapter Number 1070 (<http://state.tn.us/sos/acts/106/pub/pc1070.pdf>) of the 2010 Session of the General Assembly)

TDMHSAS estimates that these rules will not have a projected financial impact on local governments.
