- (1) These rules shall be known and may be cited as the "Rules and Regulations of the Tennessee Board of Probation and Parole."

Authority: T.C.A. § 40-28-104. Administrative History: Original rule filed December 6, 1979; effective January 20, 1980. Repeal and new rule filed August 31, 1990; effective November 28, 1990. Repeal and new rule filed XXXXX; effective XXXXX.

1100-01-01-.02 Statements of Intent.

- (1) It was the intent of the General Assembly in creating the Tennessee Board of Probation and Parole that it be autonomous and in all respects functionally and administratively separate from any other state agency.
- (2) Responsive to requirements of Tennessee law, the Board recognizes that parole is a privilege and not a right, and that no inmate may be released on parole merely as a reward for good conduct or efficient performance of duties assigned in prison.
- (3) Although eligibility for parole is set by statute, whether an inmate is actually released on parole is discretionary with the Board.
- (4) To avoid even the appearance of impropriety, all decisions of the Board regarding policy, procedures, and rules shall be determined by a majority vote of the members of the Board. Votes taken shall be public.
- (5) Regarding probation, the Board recognizes that trial judges have jurisdiction over individuals that are placed on probation. However, Probation/Parole Officers shall supervise probationers in accordance with the supervision policies of the Board of Probation and Parole, as well as the conditions of probation established by the trial Judge.

 - (b) Release from custody at this time would depreciate the seriousness of the crime of which the person stands convicted or promote disrespect for the law;
 - (c) Release at this time would have a substantially adverse effect on institutional discipline; or

Administrative History: Original rule filed December 6, 1979; effective January 20, 1980. Amendment filed March 11, 1985; effective April 10, 1985. Amendment filed April 18, 1986; effective July 14, 1986. Repeal and new rule filed August 31, 1990; effective November 28, 1990. Repeal and new rule filed XXXXX; effective XXXXX.

(1) Parole Eligibility.

- (a) Although the decision to release an inmate on parole is discretionary with the Board, parole eligibility is, by law, based upon the completion of a statutorily specified portion of a sentence, less any applicable credits.
- (b) The Department of Correction shall notify the Board of an inmate's parole eligibility date.
- (c) The Board's staff shall then compile and distribute dockets or lists of the cases to be heard by the Board.
- (d) Subject to later alteration, the Board's schedule of dates and locations of hearings shall be available to those requesting it prior to the hearing.
- (e) Inmates classified as close custody at the time they would otherwise be eligible for parole, shall not be certified by the Department of Correction, as eligible for a parole grant hearing, other than an initial grant hearing if, at the time the Department of Correction would otherwise have certified the inmate as eligible, the inmate is classified as close custody.
- (f) This de-certification of inmates classified as close custody shall continue for the duration of the classification and for a period of one (1) year thereafter.
- (g) Inmates classified as maximum custody at the time they would otherwise be eligible for parole, shall not be certified by the Department of Correction as eligible for a parole grant hearing, other than an initial grant hearing if, at the time the Department of Correction would otherwise have certified the inmate as eligible, the inmate is classified as maximum custody.
- (h) This de-certification of inmates classified as maximum custody shall continue for the duration of the classification and for a period of two (2) years thereafter.

(2) The Parole Hearing Process.

- (a) The Board is empowered to employ Hearing Officers to review inmates for any matter concerning a parole. The Hearing Officer's recommendations are advisory only and the Board shall accept, modify, or reject any recommendation made by a Hearing Officer.
- (b) If the Board determines that it does not have necessary reports or sufficient information, upon which to base an objective decision in a particular case, it may continue such hearing to a later date. The Board may also continue a hearing to await the disposition of untried indictments, disciplinary proceedings, or to investigate the status of an outstanding detainee. Such continued hearings will subsequently be processed as scheduled, unless new commitments or the loss of good and honor time credits, alters the inmate's parole eligibility dates.
- (c) Any eligible inmate may request that his or her scheduled parole grant hearing be deferred until a later specific month or year by signing a waiver to that effect, witnessed by correction or probation and parole personnel. The Board or a designated Hearing Officer may accept or reject the waiver and agree to defer the case or proceed to conduct the hearing. An inmate is to sign a waiver asking that his or her parole hearing be continued until a later date.

(3) Findings and Notice of Decision.

- (a) The Board shall notify the inmate, in written form, of its final decision and reasons for the decision. Upon receipt of notice of the decision, the inmate shall sign and date a copy of the decision notification.
- (b) As soon as practicable after the Board's action, it shall cause to be forwarded to the appropriate standing committee of the General Assembly, a written list of the names of all inmates released on parole.

(Rule 1100-01-01-.08, continued)

(4) Appellate Procedure.

- (a) An inmate whose parole has been revoked, rescinded, or denied may request an appellate review by the Board. Requests for an appellate review must be received by the Board within forty-five (45) days from the date the inmate signed the decision notification indicating that he or she has received notice of the decision.
- (b) If the request for an appeal is not received within forty-five (45) days from the date the inmate signed the decision notification, it will be denied.
- (c) The request will be screened by Board Members, or their designee, to decide if it will be forwarded to the Board Members for their review.
- (d) Reviews by the Board will be conducted for the following reasons:
 - 1. If there is significant new evidence that was not available at the time of the hearing;
 - 2. If there are allegations of misconduct by the hearing official that are substantiated by the record; or
 - 3. If there were significant procedural errors by the hearing official.
- (e) All requests that will be sent to the Board Members for review must be based on one or more of the above stated reasons.
- (f) Requests based on the availability of new evidence or information must be accompanied by adequate documentation. Requests based on allegations of misconduct or significant procedural errors must clearly indicate the specific misconduct or procedural error(s).
- (g) If a case is set for review, it will be conducted from the record of the first hearing and the appearance of the inmate will not be necessary. An appearance appeal hearing may be conducted if there were significant errors on the part of the hearing official or if misconduct on the part of the hearing official occurred in the initial hearing, and another hearing is necessary in order to correct the misconduct or significant errors from the first hearing.
- (h) If the appeal reviewer believes that a review by the Board is warranted, the file shall be forwarded to Board Members not voting on the original case and not a party to the original decision. If there are not sufficient non-voting members to finalize the appeal, the appeal document shall be circulated randomly to Board Members until a final decision is reached.
- (i) A decision to hold an appeal hearing requires three concurring votes of the Board Members. The Board may also vote to grant the appeal without holding a new hearing if the significant new information is sufficient. This decision also requires the concurrence of three (3) Board Members.

1100-01-01-.09 Release on Parole Date.

(1) Grant of Parole.

(Rule 1100-01-01-.09, continued)

- (b) If the Board Members have voted to establish a release date, release on that date shall be conditioned upon the continued good conduct of the inmate while remaining incarcerated prior to the effective date, and the approval of a satisfactory release plan.
- (c) If the Board has specified in their decision, that the inmate is to complete a program as a pre-parole condition prior to their effective date, the inmate must complete the program prior to that effective date. If the inmate has not completed the program prior to the effective date, a rescission hearing may be scheduled.
- (d) Upon receipt of significant new information, the Board may, on its own motion, reconsider any parole grant case prior to the release of the inmate and may reopen and advance or delay a parole date.

1100-01-01-.10 Psychological Evaluations.

- (1) The Board may order a psychological evaluation of any inmate, where they believe it appropriate.
- (2) Psychological evaluations for sex offenders must meet the standards cited in T.C.A. §40-28-116 or the standard that was in effect at the time such inmate committed the sex offense for which they are currently serving their sentence. Such certification is required before any inmate convicted of a sex crime is released on parole.
- (3) Such evaluations are not required prior to a sex offender's parole hearing but only prior to a sex offender's release on parole.
- (4) Prisoners who have been convicted of a sex offense shall not be released on mandatory parole unless they have been evaluated and meet the statutory requirement described in T.C.A. §40-28-116.

1100-01-01-.11 Detainers.

- (1) A Detainer is a warrant or hold placed against an inmate by another jurisdiction (called the "detaining authority") notifying the holding facility of the intention to take custody of the individual when he or she is released.
- (2) The presence of a detainer shall not, in and of itself, constitute a valid reason for the denial of parole.
- (3) Parole to Detainers.
 - (a) As used in this rule, unless the context otherwise requires, 'parole to a detainer' means the release of the inmate to the physical custody of the authority who has lodged the detainer.
 - (b) Where the detainer is not lifted, the Board may grant parole to such detainer within their discretion.
 - (c) The Board will cooperate in establishing and maintaining arrangements for concurrent supervision with other jurisdictions, where such arrangements are feasible and where release on parole appears, to the Board, to be justified.

(Rule 1100-01-01-.11, continued)

- (d) If the Board has granted parole to "detainer only" and the jurisdiction placing the detainer, lifts it or fails to take custody of the inmate, a rescission hearing will be scheduled.

Authority: T.C.A. §§40-28-104 and 40-28-401. Administrative History: Original rule filed December 6, 1979; effective January 20, 1980. Amendment filed March 11, 1985; effective April 10, 1985. 1100-01-01-.12 Rescission of Parole.

(1) Pre-parole Rescission.

- (a) If an inmate has been granted parole and has subsequently been charged with institutional misconduct, escape, or has been served with a warrant or received a new felony sentence or had the certification of parole eligibility withdrawn by the Department of Correction or has other changes in circumstances sufficient to become a matter of record, the Board shall be promptly notified and advised of such new circumstances.
- (b) No inmate about whom notification has been made pursuant to subparagraph (a) of this subsection shall be released on parole until such time as the institution has been properly informed that no change has been made in the Board's order to parole.
- (c) Upon receiving notification as required by subparagraph (a) of this subsection, the Board may schedule a parole rescission hearing or notify the institution that the grant of parole remains.

(2) The Pre-Parole Rescission Procedure.

- (a) The rescission hearing may be scheduled, if possible, for the next docket of parole hearings at the institution where the inmate is being held.
- (b) The inmate shall be given adequate notice of the reason(s) such rescission hearing is being conducted. Such notice shall be given at least three (3) days prior to the scheduled date of the rescission hearing. The reason(s) for the rescission hearing shall be stated in the notice, with the exception of information that is considered confidential by the Board.
- (c) A rescission hearing may be held in order to determine if the inmate's misconduct or other change in circumstances is sufficient to warrant rescission of such inmate's parole grant.
- (d) The inmate may appear at his or her rescission hearing and may present documentary evidence and witnesses in his or her behalf at the rescission hearing.
- (e) The inmate's presence is not necessary at the rescission hearing if:
 - 1. The institutional misconduct has been established by the institution's disciplinary committee by a finding that the inmate has violated the rules of his or her confinement ;or
 - 2. If the misconduct has resulted in a conviction in a court of law.
- (f) The Board may delay the parole grant for up to one hundred and twenty (120) days if, in its opinion, it has insufficient information before it to reach an informed and fair decision at the rescission hearing. Awaiting the disposition of institution discipline committees, new charges or indictments, or investigating new detainees shall also be sufficient grounds to continue a rescission hearing under this subparagraph.
- (g) If the result of the process is that the inmate's grant of parole is rescinded, he or she shall be given written notice evidencing the reasons for the rescission of the parole grant.
- (h) A grant of parole shall not be rescinded except upon the concurrence of two (2) Board Members.

(Rule 1100-01-01-.12, continued)

(3) Post-parole Grant Rescission Procedure.

- (a) If, after a parole has become effective and the inmate is released on parole, evidence comes to the attention of the Board that significant information was fraudulently given or withheld by the inmate, or on behalf of the inmate, or that the inmate violated the law while on any furlough or other release program prior to being released on parole and such information was not known by the Board, or that the parolee has been arrested, indicted or convicted for an offense that was committed prior to parole, or that the parolee has an unexpired prison term of which the Board was unaware at the time of the hearing, or that a calculation of the parolee's sentence structure would render him or her ineligible for parole, the Director may issue a warrant for the retaking of such parolee.
- (b) A grant of parole shall not be rescinded except upon the concurrence of two (2) Board Members.
- (c) Upon the execution of the warrant, the offender shall be notified of the reasons for the post parole grant rescission hearing. The provisions of Rule 1100-01-01-.14 with regard to notice and hearings procedures shall be followed.
- (d) At such rescission hearing, the Board may declare that the grant of parole is void and the inmate shall thereupon resume his or her sentence in custody, or the Board may declare that grant of parole void, but decide to re-parole on both the old and new cases if eligibility has been certified by the Department of Correction, or the Board may decide to leave the subject on parole.

(4) Appeal Procedure.

- (a) An inmate whose parole has been rescinded may request an appellate review by the Board. Such review shall be in accordance with the procedure outlined in rule 1100-01-01-.08 (4).

Authority: T.C.A. §§40-28-104 and 40-28-105. Administrative History: Original rule filed December 6, 1979; effective January 20, 1980. Amendment filed March 11, 1985; effective April 10, 1985. Amendment filed April 18, 1986; effective July 14, 1986. Repeal and new rule filed August 31, 1990; effective November 28, 1990. Repeal and new rule filed XXXXX; effective XXXXX.

1100-01-01-.13 Discharge of Parole.

- (1) When the Board is satisfied that a parolee has complied with the conditions of his or her parole in a satisfactory manner, the Board shall cause to be issued to such parolee a certificate of final discharge. Final discharge from parole will be granted only after a parolee has reached the expiration date of his or her sentence(s). This is in no way to be construed as permitting a discharge from parole for parolees with a life sentence.

Authority: T.C.A. §§ 40-28-104 and 40-28-125. Administrative History: Original rule filed December 6, 1979; effective January 20, 1980. Amendment filed March 11, 1985; effective April 10, 1985. Repeal and new rule filed August 31, 1990; effective November 28, 1990. Repeal and new rule filed XXXXX; effective XXXXX.

1100-01-01-.14 Revocation of Parole.

(1) Parole Revocation

- (a) If a Probation/Parole Officer having charge of an offender, has reasonable cause to believe that the offender has violated one or more of the conditions of parole in an important respect, such officer shall present such evidence to the Director or designee.
- (b) This report shall be in written form, and shall contain a listing of the violations alleged and the facts and circumstances surrounding each violation.

(Rule 1100-01-01-.14, continued)

- (c) Upon receipt of a Probation/Parole Officer's report alleging violation of parole, the Director or designee, may issue a warrant for the retaking of the offender and his or her return to a correctional institution in the State of Tennessee, if the Director or designee determines parole has been violated in an important respect.
 - (d) Any officer authorized to serve criminal process, or any peace officer to whom such warrant is delivered, shall execute the warrant by taking the offender into custody.
 - (e) In those cases where the offender is confined in another state pending new criminal charges, or is serving a sentence in another state, the warrant may be placed there as a detainer. If it becomes apparent that the Board cannot obtain physical custody of the offender detained in another state, the Director or designee shall withdraw the warrant and issue a letter of notification. The letter of notification shall consist of a letter sent to the custodian of the offender being held in another jurisdiction and shall inform such custodian that the named individual is an alleged parole violator in the State of Tennessee.
 - (f) Such notification shall request that the out-of-state custodian inform the Tennessee Director or designee of the release of the named offender at least ninety (90) days prior to such release from the out-of-state or foreign jurisdiction.
 - (g) Upon receipt of notification by the custodian that an offender will be released, the Director or designee shall reissue the warrant so that the offender may be returned to Tennessee by execution of such warrant unless parole has expired.
 - (h) When an offender is returned to the custody of Tennessee authorities from his or her confinement by an out-of-state custodian, such offender shall be afforded prompt parole revocation proceedings.
 - (i) Nothing in this rule shall be construed to prevent the Director or designee from issuing a letter of notification to the custodian of the offender in the first instance in lieu of placing a warrant as a detainer.
- (2) Preliminary Hearing.
- (a) Upon execution of a warrant by the Director, the offender shall be given adequate notice of the preliminary hearing or revocation hearing. If a revocation hearing is held within fourteen (14) days after the service of the warrant, a preliminary hearing is not required.
 - (b) The notice shall state the time and place of the hearing and shall inform the offender that at the hearing he or she will be given the opportunity to present witnesses and documentary evidence in his or her behalf, shall be allowed to cross-examine any adverse witnesses in attendance, and that he or she has a limited right to request legal representation.
 - (c) Unless waived in writing or a revocation hearing is held within fourteen (14) days of service of the warrant, the offender shall be afforded a preliminary hearing.
 - (d) The preliminary hearing shall be conducted as scheduled unless the offender voluntarily waives such hearing in writing. For such a waiver to be effective, it must contain the following:
 - 1. A clear statement that the offender is entitled to a preliminary parole revocation hearing; and
 - 2. A clear statement that the offender has the right to present documentary evidence, as well as individual testimony which may give relevant information to the Hearing Officer, and a limited right to request legal representation.

(Rule 1100-01-01.14, continued)

- (e) If the offender expresses his or her desire to waive such hearing, a Probation/Parole Officer shall explain the contents of the waiver to the offender and shall not accept such waiver unless he or she is reasonably certain that the offender fully understands the contents and consequences of such a waiver and that the offender knowingly and voluntarily still desires to waive his or her preliminary hearing.
- (f) If a preliminary hearing is held and the Hearing Officer is of the belief that the inmate is incapable of speaking effectively for himself or herself, the Hearing Officer shall continue the hearing and notify the General Counsel for the Board, that an attorney appointment is recommended. Upon receiving this recommendation, an attorney may or may not be appointed.
- (g) The General Counsel may appoint attorneys in accordance with applicable case law or in the following situations:
 - 1. The offender has made a timely and colorable claim that he has not committed the alleged violation of the conditions upon which he is at liberty; or
 - 2. Even if the violation is a matter of public record or is uncontested, there are substantial reasons which justified or mitigated the violation and make revocation inappropriate and that the reasons are complex or otherwise difficult to develop or present; or
 - 3. The offender is incapable of speaking effectively for himself or herself.
- (h) In every case in which a request for counsel at a preliminary hearing is denied, the grounds for such refusal shall be stated succinctly, in writing, by the Hearing Officer.
- (i) In every case in which a request for counsel at a preliminary hearing is not made, the Hearing Officer or a Parole Officer shall have the offender sign a statement that he or she has been fully informed of his or her ability to request that he or she be appointed counsel to represent him or her and that he or she has decided not to seek appointed representation.
- (j) Nothing in this rule shall be construed to prevent the waiver of the right to a preliminary hearing and the decision not to request counsel at the preliminary hearing from appearing on the same document.
- (k) At the preliminary hearing, the offender shall have the right to:
 - 1. Appear at the hearing and speak in his or her own behalf;
 - 2. Produce documents, letters, and individuals relevant to the violation(s) alleged;
 - 3. Confront and cross-examine persons who have given adverse information upon which his or her parole revocation is to be based, unless the Hearing Officer finds good cause exists to disallow such cross-examination and confrontation; and
 - 4. Be represented by retained counsel or an attorney appointed under the conditions noted above.
- (l) The Hearing Officer shall conduct the hearing informally, including the presentation of the documents or evidence in support of parole violation and the offender's responses to such evidence. Based on the information presented at the hearing, such Officer shall determine whether probable cause exists to believe that the offender violated the conditions of his or her parole in an important respect.
- (m) If the Hearing Officer determines it is necessary or the offender requests that any witnesses be subpoenaed, such Officer shall employ the following procedure:

(Rule 1100-01-01.14, continued)

1. If the witnesses are requested by the offender, such offender or his or her attorney shall submit a written statement, as well in advance of the scheduled hearing as possible, of the names of the persons requested as well as a brief statement of why their testimony is relevant. The statement requesting witnesses shall be forwarded to the District Director who shall review the request(s) and issue subpoenas for necessary witnesses.
 2. If the witnesses are requested by the state, the person representing the state shall comply with the same procedure set out in subpart (1) above, but the request shall be sent directly to the District Director.
 3. Failure to comply with this procedure by the parties shall be sufficient grounds for denial of a subpoena request. If the offender is not represented by an attorney the subpoenas may be served by a Probation/Parole Officer or sent by certified mail.
- (n) At the preliminary hearing, the Hearing Officer shall select one of the following alternative decisions:
1. No probable cause found, and the offender shall be returned to supervision and the violation warrant withdrawn; or
 2. Probable cause found and the offender shall remain in custody under the violation warrant to await a final parole revocation hearing before the Board.
- (3) Declaration of Delinquency.
- (a) A declaration of delinquency may be issued by the Director of Probation and Parole, Field Services or designee, in revocation proceedings to suspend such credit toward the service of the offender's sentence. Such declaration shall be made by the Director or designee in any case when a parole violation warrant is issued, and the parolee is not in custody.
 - (b) Except when an offender is declared to be in a delinquent status, the time he or she is on parole is credited toward the service of his or her sentence unless it is taken by the Board after a revocation of parole.
 - (c) If delinquency is declared, the offender stops earning credit for the service of his or her sentence from the date of declaration, until the parole violation warrant is served and the offender is housed in a correctional facility in Tennessee. Offenders taken into custody in another state will remain in delinquent status from the declaration of delinquency until they are returned to a Tennessee correctional facility or until delinquency is removed by the Board.
 - (d) During the revocation process, the Board may consider an alleged violation and determine either that parole should not be revoked or that mitigating or compelling circumstances exist for the violation. The Board may then "take" or "grant" the delinquent time. Taking delinquent time requires that the offender lose credit toward service of sentence. The Board may take all of the delinquent time or some lesser amount of time, which is set by the Board. Granting the delinquent time restores all of the offender's credit toward service of sentence as though delinquency had never been declared.
- (4) Notice of Final Parole Revocation Hearing.
- (a) Prior to the revocation hearing, the offender shall be notified in writing of the following:
 1. The date, time, and location of the hearing;

(Rule 1100-01-01.14, continued)

2. That the offender has the right to appear in person and present such evidence as he or she desires;
 3. That he or she has the right to confront and cross-examine any adverse witnesses, unless good cause can be shown for refusing confrontation and cross-examination, such as a significant potential for harm if identities are revealed; and
 4. That the offender has a limited right to request that counsel be appointed to represent him or her at the final revocation hearing.
- (5) Continuance of Final Revocation Hearing.
- (a) Following a finding of probable cause at the preliminary hearing, the Board shall schedule a final revocation hearing as promptly as possible to consider the alleged violation(s) of parole.
 - (b) On its own motion, the Board may continue the final revocation hearing in order to secure more or necessary evidence or witnesses at the hearing, or to secure counsel to represent the offender.
- (6) Final Revocation Hearing.
- (a) At the final revocation hearing, the offender shall have the right to appear and be heard in person and to present witnesses and documentary evidence.
 - (b) The offender shall have the right to confront and cross-examine adverse witnesses, unless the Board specifically finds good cause for not allowing such confrontation and cross-examination.
 - (c) The offender may request that he or she be appointed counsel to represent him or her. If the offender has made such a request, the Board, in its discretion, may provide counsel based on the following considerations:
 1. That the offender has made a timely and colorable claim that he or she has not committed the alleged violation of the conditions upon which he or she is at liberty;
 2. Even if the violation is a matter of public record or is uncontested, there are substantial reasons which justified or mitigated the violation and make revocation inappropriate and that the reasons are complex or otherwise difficult to develop or present; or
 3. In doubtful cases, the Board will consider whether the offender appears to be capable of speaking effectively for himself or herself.
 - (d) In every case in which a request for counsel at a final revocation hearing is refused, the grounds for such refusal shall be stated succinctly in the record, in writing.
 - (e) In every case in which a request for counsel at a final revocation hearing is not made, the Board shall have the offender sign a statement that he or she has been fully informed of his or her ability to request that he or she be appointed counsel to represent him or her and that he or she has decided not to seek appointed representation.
 - (f) At the final revocation hearing, the Board will initially determine whether the alleged violation of parole is supported by a preponderance of the evidence. In all cases, the burden shall be on the State to establish that a violation occurred.
 - (g) If the Board determines that a parole violation occurred, or if the offender admits to a violation, the Board shall next consider whether such grant of parole should be revoked for the violation.

(Rule 1100-01-01.14, continued)

- (h) In all cases, including those situations in which the offender has been convicted of a new offense, the Board shall consider any mitigating factors advanced by the offender, which suggest that the violation of parole does not warrant revocation.
 - (i) All parole revocation hearings shall be conducted in a manner as informal as is consistent with due process and the technical rules of evidence shall not apply to such hearings.
 - (j) All evidence upon which the finding of a parole violation may be based, shall be disclosed to the offender at the revocation hearing unless it has been declared confidential by the Board.
 - (k) Nothing in this subsection shall be construed to prevent the Board from disclosing documentary evidence by reading or summarizing the appropriate document for the offender.
 - (l) If the Board sustains the violation and decides to revoke parole, the offender shall be returned to confinement to serve the remaining portion of his or her sentence or such part as the Board directs. The time an inmate spent on parole shall not be considered as service of the sentence unless the Board determines to grant all or part of such "street time" to the inmate.
 - (m) The Board shall set a review date and record it on a Board Action Sheet.
 - (n) If the Board finds that the offender did not commit the alleged violation or, if he or she did, finds that mitigating factors dictate revocation is not appropriate, the offender shall be allowed to resume the conditions of his or her parole status.
- (7) Felony Committed While on Parole.
- (a) If a person is convicted in this state of a felony committed while on parole from a prison, workhouse, or jail in this state, he or she shall serve the remainder of his or her sentence under which parole was granted, or such part of that sentence as the Board may determine before he or she commences serving the sentence fixed for the crime committed while on parole.
 - (b) If a person on parole from a prison, workhouse, or jail in this state is convicted of a crime under the law of another state or county which, if committed in this state, would be a felony, the Director of Probation and Parole in this state, shall seek to return such offender to this state through the terms of the interstate compact. If such offender is returned, the Board shall require that he or she serve the portion remaining of his or her maximum term of sentence or such part of that term as the Board may determine.
 - (c) The Board, at its discretion, may recommend to the Commissioner of Correction, the removal of all or any part thereof, of the good and honor time and incentive time such inmate accrued on the sentence under which he or she was paroled. The final decision relative to whether any or all of such time credits will be removed shall be made by the Commissioner of Correction.

 - 1. Upon receipt of a request from an offender or his or her attorney for executive clemency consideration, the Board shall respond by sending to the individual making the request an executive clemency application with a cover letter explaining the application procedure.
 - (i) If the Board receives a request for clemency on behalf of an individual by a third party who is not the individual's attorney, the Board shall respond and advise the third party that the person for whom clemency is requested must apply directly to the Board unless that person lacks the competency to apply in his or her own behalf.

The Board's files shall reflect the action of the Board in scheduling the case for hearing.
2. If the applicant does not fall within the Governor's criteria, the applicant shall be advised as to why he or she is not eligible for consideration and will not be scheduled for a hearing. He or she shall be advised of the date on which he or she will be eligible and may reapply for consideration, provided that none of the Board's screening factors are amended by the Governor to prevent such consideration.

(d) General Procedure for Clemency Requests and Hearings.

1. All requests for executive clemency shall be responded to in a timely manner. After the application is received, the applicant and his or her attorney shall be advised as to whether the case is to be scheduled for a hearing and the date, time, and place of any hearing. All hearings shall be held promptly following the notice to the applicant and his or her attorney, unless it is continued at the Board's discretion, upon the request of the applicant or his or her attorney, or pending receipt by the Board of essential information. The notice shall advise the applicant that he or she is entitled to appear at the hearing and to present witnesses and other evidence on his or her behalf. Such notice shall also include a description of the type of evidence considered by the Board.
2. At the same time that notice is sent to an applicant and his or her attorney, the appropriate Judge and District Attorney General shall be notified that the case has been set for hearing and given the date, time, and place. The notice to the Judge and District Attorney shall indicate that the Board solicits and welcomes their views and recommendations concerning clemency for the applicant.
3. The Board's staff may compile any or all of the following information for the Board's consideration at the hearing:
 - (i) a reclassification or parole summary completed by the institutional staff, if the applicant is an inmate;
 - (ii) information about the facts and circumstances surrounding the offense and conviction. Such information shall be obtained through investigations conducted by a Probation/Parole Officer or other individual designated by the Board;
 - (iii) a psychiatric or psychological evaluation if the applicant is an individual convicted of a sexual offense or sex related crime;
 - (iv) information about medical, mental and/or family problems or needs obtained through investigation by a Probation/Parole Officer or other individual designated by the Board, if appropriate; and
 - (v) the application, original request, supporting evidence, and any correspondence in the Board's file concerning the application.

(Rule 1100-01-01-.16, continued)

4. If the applicant is requesting a pardon, the following additional information shall be obtained:
 - (i) information obtained for FBI and local records checks;
 - (ii) information regarding recent social history and reputation in the community; and
 - (iii) information verifying reasons for pardon request.
 5. Although the Board's staff obtains the above information so that clemency hearings not be completely ex parte in nature, the burden remains on the applicant to establish that he or she is entitled to clemency.
 6. At a clemency hearing the Board shall consider, but is not limited to, the following factors:
 - (i) the nature of the crime and its severity;
 - (ii) the applicant's institutional record;
 - (iii) the applicant's previous criminal record, if any;
 - (iv) the views of the appropriate trial Judge and the District Attorney General who prosecuted the case;
 - (v) the sentences, ages, and comparative degree of guilt of co-defendants or others involved in the applicant's offense;
 - (vi) the applicant's circumstances if returned to the community;
 - (vii) any mitigating circumstances surrounding the offense;
 - (viii) the views of the community, victims of the crime or their families, institutional staff, Probation/Parole Officers, or other interested parties; and
 - (ix) medical and psychiatric evaluations when applicable.
 7. The Board will inform the applicant and his or her attorney, if present, of its recommendation at the end of the hearing or, in its discretion, will take the case under advisement. In either event, the Board shall advise the applicant that its recommendation to the Governor is non-binding and that the Governor will review any recommendation by the Board.
 8. The Chair shall designate one member of the Board to write a report to the Governor concerning the case. The report shall include:
 - (i) a brief statement of the reasons for the recommendation;
 - (ii) the complete file;
 - (iii) the views of the various Board Members, if the recommendation is not unanimous; and
 - (iv) the specifics of the recommendation, whether it is a positive or negative one, and if a positive recommendation is made, any terms and conditions recommended by the Board.
- (e) **Emergency Medical Clemency Requests.** In a small percentage of cases, it is necessary and appropriate that the Board consider requests by individuals recommended for clemency by the Department of Correction's medical staff. At times, these individuals may lack competency to apply on their own behalf and the request may be made by the

(Rule 1100-01-01-.16, continued)

medical staff. These requests are made in unusual or emergency medical situations and may require immediate action by the Board. In such cases, a complete medical report and a detailed statement of the emergency situation will accompany the Board's report to the Governor.

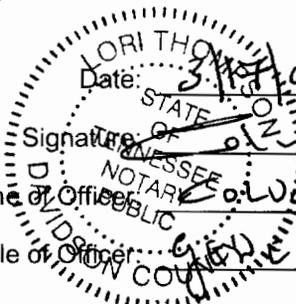

- (f) As soon as practicable after the Board's clemency recommendation, it shall forward or cause to be forwarded to the appropriate standing committees of the General Assembly, designated by the Speaker of the Senate and the Speaker of the House of Representatives, a written list of the names of all persons receiving both favorable and unfavorable recommendations.
- (g) The list required by subsection (f) shall also be furnished to the appropriate Attorney General in whose district any such person was convicted.
- (h) Board Supervision of Commutees.
 - 1. When the Governor of the State of Tennessee commutes an offender's sentence and makes supervision by the Board a condition of such commutation, the Board shall assign the commuttee a Probation/Parole Officer in the same manner as if the offender had been released on parole.
 - 2. If the Probation/Parole Officer supervising such commuttee has reasonable cause to believe such person has violated the conditions of his or her commutation, the Officer shall detail the circumstances of the alleged violation in the form of an affidavit and transmit such affidavit to the Director of Probation and Parole. In no event shall the Probation/Parole Officer arrest, detain, or cause the arrest or detention of a commuttee unless done on the basis of a warrant from the Governor.
 - 3. The Director shall review and shall immediately transmit, in appropriate cases, affidavits received pursuant to this subsection, to the office of the Governor.
 - 4. At the request of the Governor, the Board shall conduct a commutation revocation hearing to determine if a commuttee has violated the conditions of his or her commutation. The Board will conduct such hearings in the same manner and use the same procedures as parole revocation hearings are conducted pursuant to rule 1100-01-01-.14.
 - 5. At the conclusion of the hearing the Board shall transmit the record of such hearing, together with the Board's non-binding findings and recommendations concerning the alleged commutation violation, to the Governor.
