These documents will be reviewed annually by the Department of Education and will be updated as necessary for dissemination to local boards of education.

Regulatory Flexibility Addendum

Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process as described in T.C.A. § 4-5-202(a)(3) and T.C.A. § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses.

Not applicable.

Impact on Local Governments

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments." (See Public Chapter Number 1070 (<http://state.tn.us/sos/acts/106/pub/pc1070.pdf>) of the 2010 Session of the General Assembly)

This rule will have no impact on local governments.

Additional Information Required by Joint Government Operations Committee

All agencies, upon filing a rule, must also submit the following pursuant to T.C.A. § 4-5-226(i)(1).

- (A)** A brief summary of the rule and a description of all relevant changes in previous regulations effectuated by such rule;

This rule will delete redundancies in State Board of Education Rule 0520-01-03.06 by aligning the requirements for all forms of work-based learning, including service learning and school-based enterprise. It also establishes that a Work-Based Learning Framework, as outlined in the newly-revised State Board of Education Policy 2.103, will govern the expectations for all forms of work-based learning experiences.

The rule will provide greater flexibility for the Department of Education to expand work-based learning opportunities for students, using a Work-Based Learning Policy Guide and the Work-Based Learning Implementation Guide that can be updated annually by the Division of Career and Technical Education in the Department.

- (B)** A citation to and brief description of any federal law or regulation or any state law or regulation mandating promulgation of such rule or establishing guidelines relevant thereto;

N/A

- (C)** Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

CTE Directors, administrators, counselors Work-Based Learning Coordinators, and students participating in Work-Based Learning programs were made aware of the change. State Board staff and the Department of Education urged adoption of this rule. No written or verbal comments were received at the time of rulemaking.

The Division of Career and Technical Education in the Department undertook a multi-step process to redesign work-based learning. The rule changes are the result of a nine-month effort to assess current work-based learning practices, align with the state's more rigorous CTE course standards, and provide more robust work-based learning opportunities for students across the state.

This process involved the following steps:

- 1) Survey various stakeholders (e.g. CTE directors, counselors and work-based learning coordinators in order to ascertain areas of strength and opportunities with the current approach.) Nearly 450 surveys were received.
- 2) Conduct focus groups across all three grand divisions to complement the survey. Roughly 225 CTE directors, administrators, counselors, work-based learning coordinators and Tennessee employers participated.
- 3) Contract with a third-party vendor to provide national perspectives and expertise and to analyze and assist with the revision of the department's current policies, resources, trainings and expectations.

- (D)** Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule;

N/A

- (E)** An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

N/A

- (F)** Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;
