Amendments

Subparagraph (1)(h) of Rule 1640-01-17-.02 General is amended by deleting the current language in its entirety and substituting the following language so that as amended the subparagraph shall read:

- (h) Grace period: A period of one (1) year that shall begin on the date the student completes his or her plan of study.

Authority: T.C.A. §§ 49-4-201, 49-4-204, and 49-4-212.

Paragraph (5) of Rule 1640-01-17-.05 Loan Amount and Terms is amended by deleting the current language in its entirety and substituting the following language so that as amended the paragraph shall read:

(5) Repayment

- (a) Repayment for recipients who complete the plan of study shall begin in the first month following the end of the grace period or upon demand by TSAC should TSAC determine that the recipient will not fulfill the service requirement. Interest shall begin to accrue September 1 after completion of the program.

The interest shall accrue at a rate of nine percent (9%) per annum. Repayment may be in whole or in monthly installments of at least one hundred dollars (\$100) over a period of not more than ten (10) years from the end of the grace period. Payments of less than the amount required to amortize the loan within ten (10) years may be made only if the recipient documents to TSAC's satisfaction his or her inability to make payments of that amount. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized.

- (b) Repayment for recipients who fail to complete the funded plan of study shall begin upon demand by TSAC, or in the first month after TSAC has determined that the student is no longer enrolled in a teacher education program or other failure to comply with the terms of the agreement.

Repayment will include the full amount of the loan funds received plus interest accrued from the date TSAC has determined that the student is no longer enrolled in a teacher education program or other failure to comply with the terms of the agreement and shall be based upon an interest rate of nine percent (9%) per annum. Repayment may be made in whole or monthly installments over a period of not more than ten (10) years from the date of failure to complete the plan of study. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized. If a borrower issues a check, draft, or warrant, which is subsequently returned to TSAC for reason of insufficient funds, a stop payment order by the issuer, or any other reason, the payment to which these funds was applied shall be reversed on the borrower's account and interest shall continue to accrue from the date of the last valid payment.

- (c) Repayment of principal and interest will be prorated for partial service cancellation to reflect each full academic year. Such repayment shall begin upon demand by TSAC, or in the first month following termination of the creditable teaching service. Repayment of the non-canceled portion of the loan may be made in whole or in monthly installments over the remaining months of the ten (10) year repayment period. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized.

Minimum monthly payments of one hundred dollars (\$100) will be required unless an exception as described in (5)(a) of this rule is granted.

- (d) If a recipient should re-enter teaching at an eligible school after commencing monetary repayment, the repayments already made cannot be returned to the recipient. However, any additional repayment balances that were not in arrears at the time of the reentry into teaching may be canceled by subsequent teaching service.

Authority: T.C.A. §§ 49-4-201, 49-4-204, and 49-4-212.

Regulatory Flexibility Addendum

Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process as described in T.C.A. § 4-5-202(a)(3) and T.C.A. § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses. The statute requires that as a part of its analysis, each agency shall prepare an economic impact statement as an addendum to each rule that is deemed to affect small businesses, which shall be published in the Tennessee Administrative Register, filed with the Secretary of State's Office, and made available to all interested parties, including the Secretary of State, Attorney General, and the House and Senate Government Operations Committees.

The agency shall consider without limitation, certain methods of reducing the impact of the proposed rule on small businesses while remaining consistent with health, safety and well-being and those methods are as follows: the extent to which the proposed rule or rules may overlap, duplicate, or conflict with other federal, state, and local governmental rules; clarity, conciseness, and lack of ambiguity in the proposed rule or rules; the establishment of flexible compliance and/or reporting requirements for small businesses; the establishment of friendly schedules or deadlines for compliance and/or reporting requirements for small businesses; the consolidation or simplification of compliance or reporting requirements for small businesses; the establishment of performance standards for small businesses as opposed to design or operational standards required in the proposed rule; and the unnecessary creation of entry barriers or other effects that stifle entrepreneurial activity, curb innovation, or increase costs.

Description of Proposed Amendments

The Tennessee Student Assistance Corporation (TSAC) intends to file the proposed rules pursuant to T.C.A. § 4-5-202 in lieu of a rulemaking hearing to amend the current rules of Chapter 1640-01-17 Tennessee Teaching Scholars Program. It is the intent of TSAC to promulgate these rules without a rulemaking hearing unless a petition requesting such hearing is filed within thirty (30) days of the publication date of issue of the Tennessee Administrative Register in which the proposed rules are published.

Changes to these rules clarify the definition for grace period, clarify the conditions under which repayment begins, and allow for interest to accrue from September 1 after completion of the program or immediately following early termination of the program, rather than from the date of disbursement.

Regulatory Flexibility Analysis - Methods of Reducing the Impact of Rules on Small Businesses

1. Overlap, duplicate, or conflict with other federal, state, and local governmental rules:

The proposed rules will not overlap, duplicate, or conflict with other federal, state, and local governmental rules.

2. Clarity, conciseness, and lack of ambiguity in the rule or rules:

The proposed rules were patterned to ensure clarity and conciseness of the language of the rules and to eliminate possible ambiguity in the interpretation of the rules.

3. Flexible compliance and/or reporting requirements for small businesses:

The proposed rules were drafted to facilitate administration of the program for eligible postsecondary education institutions.

4. Friendly schedules or deadlines for compliance and/or reporting requirements:

TSAC worked diligently with key postsecondary education institution personnel to ensure that proposed compliance and/or reporting requirements can be practically applied by institutions

administering the program.

5. Consolidation or simplification of compliance or reporting requirements:

The proposed rules were drafted to ensure solid, easily interpreted, compliance and reporting requirements.

6. Performance standards for small businesses:

TSAC expects all education institutions engaged in the administration of the Tennessee Teaching Scholars Program to comply with all applicable rules.

7. Barriers or other effects that stifle entrepreneurial activity, curb innovation, or increase costs:

The proposed rules do not contain any foreseeable inhibitors to small business entrepreneurial activities.

Furthermore, the statute requires that the agency, as part of the rulemaking process for any proposed rule that may have an impact on small businesses, shall prepare an economic impact statement as an addendum for each rule. The statement shall include the following: the type or types of small businesses and an identification and estimate of the number of small businesses subject to the proposed rule that would bear the cost of, and/or directly benefit from the proposed rules; the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed rule, including the type of professional skills necessary for preparation of the report or record; a statement of the probable effect on impacted small businesses and consumers; a description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and/or objectives of the proposed rule that may exist, and to what extent, such alternative means might be less burdensome to small businesses; a comparison of the proposed rule with any federal or state counterparts; and analysis of the effect of the possible exemption of small businesses from all or any part of the requirements contained in the proposed rule.

Economic Impact Statement

1. Types of small businesses directly affected:

Independent postsecondary education institutions that employ fifty (50) or fewer full-time employees that have students in attendance receiving this grant program

2. Projected reporting, recordkeeping, and other administrative costs:

There are no significant changes in reporting, recordkeeping, or other administrative costs that will result from the promulgation of these proposed rules.

3. Probable effect on small businesses:

The proposed rules were drafted to facilitate administration of the program for all postsecondary institutions and should have a positive effect on the independent postsecondary institutions employing fifty (50) or fewer full-time employees.

4. Less burdensome, intrusive, or costly alternative methods:

As these proposed rules present no foreseeable cost to small businesses, there is no alternative method to propose.

5. Comparison with federal and state counterparts:

There are no federal or state counterparts to the issues addressed by these proposed rules.

6. Effect of possible exemption of small businesses:

There will be no exemptions created by these proposed rules.

Impact on Local Governments

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments." (See Public Chapter Number 1070 (<http://state.tn.us/sos/acts/106/pub/pc1070.pdf>) of the 2010 Session of the General Assembly)

The rules for the Tennessee Teaching Scholars Program Chapter 1640-01-17, as proposed, shall have no projected impact on local governments.

The institution will be directed to deliver the funds to the recipient. Prior to disbursing the funds to the student, the institution shall ensure that the recipient is enrolled in a teacher education program for the number of hours for which the funds are being issued for the appropriate academic term, and is making satisfactory progress in accordance with the Act. If the recipient receives other educational assistance for the same period, the total assistance including this award is limited to the recipient's cost of attendance, as determined by the institution's financial aid office.

 - (a) For each year of full-time teaching service at an eligible school, as defined in these regulations, the recipient shall receive cancellation credit of one (1) academic year's award (the equivalent of two (2) semesters) toward repayment of the loan. If a recipient teaches in an eligible school that is high priority or on warning status as designated by the Tennessee Department of Education or the State Board of Education, the recipient's obligation will be canceled at a rate of one and one third ($1\frac{1}{3}$) of the total annual award.
 - (b) Fractions of a year may be credited in one (1) semester or one-half ($1/2$) year increments toward cancellation for recipients who begin or end full-time teaching in the middle of an academic year in a Tennessee public school. At the end of such period, cancellation credit will be applied upon receipt of verification of the completion of such service.
 - (c) A grace period of one (1) year will be granted to allow the recipient the opportunity to secure employment to begin cancellation credit. When a recipient has obtained a full-time teaching position at an eligible school, some or all of the grace period may be waived at the recipient's written request.
 - (d) Recipients in teaching positions that qualify them for cancellation credit must notify TSAC of that teaching status. Individuals whom TSAC has determined to be in a full-time teaching position at an eligible school shall be granted a postponement on repayment to allow them the opportunity to complete a full year of teaching. At the end of such period, cancellation credit will be applied upon receipt of the verification of such service.
 - (e) The debt shall be canceled due to the death of the recipient upon documentation deemed acceptable by TSAC.
 - (f) If a recipient is determined to be totally and permanently disabled under the standards established by T.C.A., Title 8, Chapter 36, Part 5, for determining disability for members of the Tennessee Consolidated Retirement System, the outstanding debt shall be canceled. A recipient is not considered totally and permanently disabled on the basis of a condition that existed prior to his or her application unless the recipient's condition has substantially deteriorated since he or she submitted the application. If at any time subsequent to an initial determination of disability the recipient's condition
