Re: *Petition of Total Environmental Solutions, Inc. (TES) and South Louisiana Electric Cooperative Association (SLECA) for a Transfer of Certificate of Public Convenience and Necessity to Provide Utility Services or for a Determination as to its Qualification to Operate Sewerage/Wastewater Treatment Facilities*

Dear Ms. Laizure:

The Tennessee Regulatory Authority requests the following information regarding the above-referenced application:

- 13) Please provide income statements and balance sheets for SLECA for the periods ending June 30, 1998 and June 30, 1999.
- 14) Please provide the educational and professional backgrounds of the management team of TES as well as for Bill Schoening, the proposed manager of Riviera Utilities.
- 15) The response to Question 1 on the previous data request was as follows:

Employees of Riviera Utilities of Tennessee, Inc. will undergo a 90-day evaluation, at which time TES will evaluate each employee's performance and make its decisions whether to retain or to terminate each employee on an individual basis.

Is TES planning to reduce the staff of Riviera Utilities through lay-offs, or will any terminations be due solely to job performance?

- 16) Please provide a list of the names and addresses of all of the utilities that TES will be operating after all bankruptcy court proceedings and certification proceedings are completed.
- 17) Please provide a copy of the final order of the bankruptcy court concerning the successful bid of TES for Johnson properties.

Please submit the requested information by September 22, 2000. If you have any questions, please contact Rosie Gregory at 615-741-2904, extension 156.

Sincerely,

A handwritten signature in black ink, appearing to read "K. David Waddell". The signature is stylized with a large, looped "K" and "D".
