ORDER DISMISSING ARBITRATION

This matter came before the Pre-Arbitration Officer upon the *Joint Motion To Approve Amendment* filed in this docket on December 7, 2007 by Sprint Communications Company L.P. and Sprint Spectrum L.P. d/b/a Sprint PCS and BellSouth Telecommunications, Inc., d/b/a AT&T Tennessee (collectively "Parties"). In that Joint Motion, the Parties notified the Tennessee Regulatory Authority ("Authority") that the Authority's approval of a three-year term extension ("Amendment") to the Parties' existing Interconnection Agreement will resolve all issues in this arbitration proceeding. On January 25, 2008, the Authority issued its *Order Approving Amendment to the Interconnection Agreement* in this docket. As such, this Pre-Arbitration Officer finds that all of the issues in this arbitration proceeding have been resolved and no further action by the Authority is needed in connection with this docket.

IT IS THEREFORE ORDERED THAT:

1. No further action being required in this docket, the *Petition of Sprint Communications Company L.P. and Sprint Spectrum L.P. d/b/a Sprint PCS and BellSouth Telecommunications, Inc., d/b/a AT&T Tennessee* is hereby dismissed.
2. This docket shall be closed by the Tennessee Regulatory Authority.
