Re: *Petition of BellSouth Telecommunications, Inc. dba AT&T Tennessee for Approval of Transfer of AT&T Communications of the South Central States, LLC Residential Local Service Customers*
Docket No. 07-00139

Dear Chairman Roberson:

In its May 24, 2007 Petition, AT&T Tennessee stated that it would provide the Authority a copy of the Section 214 Self-Certification letter AT&T filed with the FCC certifying that its customer transfer is in compliance with all FCC regulations governing such transactions. Enclosed is a copy of that letter, which was filed with the FCC on September 26, 2007.

As you will recall, on August 23, 2007, the Authority entered its Order approving AT&T's customer notification letters contingent on AT&T filing its letter to the FCC certifying compliance.

Very truly yours,

Guy M. Hicks

Important changes to your AT&T Services

[Customer name]

[Address 2]

[Bar code]

Dear [Customer Name],

We want to update you on some important and positive changes to your AT&T services which may require you to take some action. As you may know, in December 2006, AT&T and BellSouth joined together to form the new AT&T. BellSouth is now doing business as AT&T Louisiana. In an effort to provide you with even better and more exciting products, services, and offers, we are integrating the best of our combined services.

What's Changing?

As a result of this integration, your residential local service, which is currently provided by AT&T Communications of the South Central States, LLC, will now be provided by AT&T Louisiana--one of the AT&T family of companies.

- Unless you choose a different local service provider, your residential AT&T Local Service will be automatically transferred to AT&T Louisiana during a transition period from November 12 through December 28, 2007.** Your current service plan will be switched to an AT&T Louisiana service plan that is comparable to your current telephone service plan (as shown on the enclosed list). Your new AT&T Louisiana service plan may include features or services not included in your current plan. Regardless, the monthly recurring charges for your new plan will be equal to or less than what you pay now. Where your monthly telephone service charges would be higher, you will receive a special credit so that you do not see an increase over what you pay now for your total combination or bundle of voice services. If a local service credit is provided, you will continue to receive the local credit until you transfer or change your local service plan. Once you receive your bill, if you have any questions about what's included in your service plan, just contact us at the number provided on the bill. There are no costs associated with this transfer to AT&T Louisiana. *We also want to assure you that there will be no interruption in your service.*
- You can also choose a different local service plan.** If you would like to select a different plan, simply call us at **1-866-412-4977** within **45 days of the date of this letter**, and our Customer Care representatives will be happy to review your current services and help you choose a new plan for your needs. For your reference, we have enclosed a summary of current plans and a sample of options available with the new AT&T, along with applicable rates and terms. We also invite you to visit our website at att.com to view available products and services in your area.

You are a valued customer and we sincerely hope you will remain with the AT&T family, but if you do not wish to have your local service changed to AT&T Louisiana, you may choose another local telephone service provider. If you wish to select another provider, you should contact that carrier for information on their services and charges, including any charges associated with moving to their service. A listing of available local service providers may be found in your AT&T White Pages Directory. **If you want to select another service provider, you should make that selection within 45 days of the date of this letter**, to avoid automatic transfer of your account to AT&T Louisiana.

*Note: If you select a new local service provider, you should contact your current **long distance provider** to ensure there is no change to your long distance calling plan, unless you requested it. Not doing so may result in a change in the rates applied to your long distance calls.*

AT&T Long Distance Customers

As an AT&T Louisiana local customer who retains AT&T Long Distance, you will automatically be enrolled in the AT&T Unlimited Plus plan, which has a \$32.99 monthly recurring charge and provides unlimited domestic long distance calling, 24 hours per day, 7 days a week, along with the AT&T Unlimited Canada plan, which has a \$5.99 monthly recurring charge and discounted rates to other international countries. Importantly, you also will **receive a \$7.00 monthly credit** on your bill once your service has been established with AT&T Louisiana. You will continue to receive the \$7.00 monthly credit as long as you are enrolled in the AT&T Unlimited Plus calling plan and have AT&T Louisiana as your local provider.

AT&T Voice Mail Customers

If you have AT&T Voice Mail service, your Voice Mail service will be discontinued and you will be provided a new Voice Mail service at no additional cost when you are automatically transferred to AT&T Louisiana. If you wish, you may call AT&T Louisiana prior to the transition period to discuss other voice mail products available to you. Please note that with the new service, you will have to reset your password and greetings. You will receive detailed instructions on how to use your new mailbox in a separate mailing. You can also find instructions on setting up and using your new mailbox at att.com/info or you can access your mailbox by dialing *98 from your home phone for further information. Also, **any saved messages currently stored on your current mail platform cannot be transferred to the new platform.** We recommend that you make audio recordings of any important messages you might have and wish to keep for future reference. You can also access your saved messages via <http://vm.att.com> and save them to your computer hard drive. **Please take appropriate action before the transition period.**

Next Steps

The transition period of your local service to AT&T Louisiana is scheduled from **November 12 through December 28, 2007**.

Prior to Your Transition

- If you wish to choose another AT&T local service plan, please call us at **1-866-412-4977 within 45 days of the date of this letter**.
- If you wish to switch to another local service provider, contact that provider **within 45 days of the date of this letter**.
- If you have AT&T Voice Mail service, take the appropriate action to save any desired messages stored on your current voice mail platform.

After Your Transition

Once your service has been established with AT&T Louisiana, you will receive a **welcome letter** confirming your new service and features, as well as any other products or services you may have ordered. Your welcome kit will also include product or service instructions for applicable AT&T Louisiana services.

Once your service has been established with AT&T Louisiana or another local service provider, you will receive:

- **a final bill** from AT&T Communications of the South Central States, LLC. Please return your final payment via the remittance document provided in your bill. Failure to pay your telephone bill may result in your account being referred to a collection agency.
- **a refund of any deposit** (if applicable) If you have a deposit for your local or long distance service, you will receive a refund of the deposit, including applicable interest, minus any amount due on your account when service is transferred. If a refund is due to you, you should receive it within 45 calendar days after receipt of your final bill.

The transition of your local service to AT&T Louisiana will happen automatically. However, there are some actions which you may need to take after the transition:

If you have:	You should:
Calling features	➤ Re-program your Call Forwarding, Speed Dial and other features.
Frozen or blocked accounts	➤ Contact AT&T Louisiana toll-free at 1-866-412-4977 if you would like to re-establish a freeze/block for your account after the transfer of your service. (If you currently have a freeze or block on your account to prevent changes to your local or long distance service providers, those freezes or blocks will be removed if your service is transferred to AT&T Louisiana.)
Automatic Bill Payment, Online Bill Pay, or Credit Card Bill Payment	➤ Update your banking/bill payment information to reflect your new AT&T Louisiana account information to ensure proper payment credit. (Your new billing account information will be your ten-digit billing telephone number plus a three-digit customer code that will appear on your new AT&T Louisiana bill.) ➤ Re-apply for automatic bill payment through AT&T Louisiana if you signed up for automatic payments with AT&T Communications of the South Central States, LLC.
Other services that use your local telephone line (for example, an alarm service)	➤ Contact the provider(s) of those services to inform them of the change in your local telephone service provider and determine if any actions are necessary.
Voice Mail	➤ Go to att.com/info or access your new mailbox by dialing *98 from your home phone to get detailed instructions on how to use your new mailbox. ➤ Reset your password and greetings.

RATES, TERMS, AND CONDITIONS OF LOCAL SERVICE

Rate Conditions

Monthly rates for telephone line charges in the state of Louisiana vary depending on the area in which you live. The Louisiana Public Service Commission approves the Company's rates for basic line service. These rates are listed in the Company's Tariffs. All rates and charges are subject to change.

Basic Line Service

AT&T Louisiana offers *Local Optional Service (LOS) Option B*, and *Flat Rate* line service. Rates do not include taxes, surcharges, municipal fees, or FCC approved line charges. Customers who do not currently subscribe to packages listed on the chart on the back of this page will be transferred to the most comparable service from the basic line services described below.

LOS Option B has the lowest monthly rate. Customers subscribing to *LOS Option B* pay a per month charge of \$6.50 plus local usage charges. Subscribers can choose one of two usage packages, *Economy* or *LOS Option B with discount*. Customers choosing the *Economy* Option are billed mileage based usage charges ranging from \$.01 to \$.14 per minute of use. Local usage for calls terminating in mileage bands 0 and A-E is capped at \$15.00. *LOS Option B with discount*, which costs an additional \$4.00/month, includes mileage based usage charges, a local usage allowance of \$4.00 and a 20% discount on total usage charges. Billed usage charges in bands 0 and A-E in excess of the allowance are capped at \$11.00 per month.

Flat Rate service provides you with unlimited local calling. As of the date of this letter, the monthly rate for *Flat Rate* residential service is \$12.64. We anticipate that there will be a filing to increase the rates for *Flat Rate* service within the range of approximately \$12.64 to \$13.90 during the migration process.

Lifeline service is also available to qualified AT&T Louisiana customers. Lifeline service provides monthly assistance for qualifying low income residential households in the form of an \$8.25 credit per month on your basic local service charge.

Optional Services

In addition to the basic line service, AT&T Louisiana offers optional calling services. Prices for some of the most popular optional calling features are set forth in the table below. These services are also available in cost saving packages. The rates for some packages are also provided on the back of this page. For more information on other optional calling services, package availability and prices, please contact the AT&T Louisiana Customer Service Center toll-free at 1-866-412-4977 or access our website at att.com.

Important changes to your AT&T Services

Dear [Customer Name],

We want to update you on some important and positive changes to your AT&T services which may require you to take some action. As you may know, in December 2006, AT&T and BellSouth joined together to form the new AT&T. BellSouth is now doing business as AT&T North Carolina. In an effort to provide you with even better and more exciting products, services, and offers, we are integrating the best of our combined services.

What's Changing?

As a result of this integration, your residential local service, which is currently provided by AT&T Communications of the Southern States, LLC, will now be provided by AT&T North Carolina--one of the AT&T family of companies.

- Unless you choose a different local service provider, your residential AT&T Local Service will be automatically transferred to AT&T North Carolina during a transition period from October 29 through December 28, 2007.** Your current service plan will be switched to an AT&T North Carolina service plan that is comparable to your current telephone service plan (as shown on the enclosed list). Your new AT&T North Carolina service plan may include additional features and services that are not a part of your current plan. Regardless, the monthly recurring charges for your new plan will be equal to or less than what you pay now. Where your monthly telephone service charges would be higher with the new AT&T North Carolina service plan, you will receive a special credit so that you do not see an increase over what you pay AT&T Communications now for your total combination or bundle of voice services. If a local service credit is provided, you will continue to receive the local credit for as long as you remain a customer of AT&T North Carolina at the same location, under the same local service plan. Once you receive your bill, if you have any questions about what's included in your service plan, just contact us at the number provided on the bill. There are no costs associated with this transfer to AT&T North Carolina. *We also want to assure you that there will be no interruption in your service.*
- You can also choose a different local service plan.** If you would like to select a different plan, simply call us at 1-866-412-4977 within 30 days of the date of this letter, and our Customer Care representatives will be happy to review your current services and help you choose a new plan for your needs. For your reference, we have enclosed a summary of current plans and a sample of options available with the new AT&T, along with applicable rates and terms. We also invite you to visit our website at att.com to view available products and services in your area.

You are a valued customer and we sincerely hope you will remain with the AT&T family, but if you do not wish to have your local service changed to AT&T North Carolina, you may choose another local telephone service provider. If you wish to select another provider, you should contact that carrier for information on their services and charges, including any charges associated with moving to their service. A listing of available local service providers may be found in your AT&T White Pages Directory. **If you want to select another service provider, you should make that selection within 30 days of the date of this letter,** to avoid automatic transfer of your account to AT&T North Carolina.

Note: Only your local service is being impacted by this migration. Your current long distance provider will remain the same. However, you may want to contact your current long distance provider and advise them of your new local service provider to ensure there is no unauthorized change to your long distance calling plan or the rates applied to your long distance calls.

AT&T Long Distance Customers

As an AT&T North Carolina local customer who retains AT&T Long Distance, you will automatically be enrolled in the AT&T Unlimited Plus plan, which has a \$32.99 monthly recurring charge and provides unlimited domestic long distance calling, 24 hours per day, 7 days a week, along with the AT&T Unlimited Canada plan, which has a \$5.99 monthly recurring charge and discounted rates to other international countries. Importantly, in addition to any applicable local service credit, you also will **receive a \$7.00 monthly credit** on your bill once your service has been established with AT&T North Carolina. You will continue to receive the \$7.00 monthly credit as long as you are enrolled in the AT&T Unlimited Plus calling plan and have AT&T North Carolina as your local provider.

AT&T Voice Mail Customers

If you have AT&T Voice Mail service, your Voice Mail service will be discontinued and you will be provided a new Voice Mail service at no additional cost when you are automatically transferred to AT&T North Carolina. If you wish, you may call AT&T North Carolina prior to the transition period to discuss other voice mail products available to you. Please note that with the new service, you will have to reset your password and greetings. You will receive detailed instructions on how to use your new mailbox in a separate mailing. You can also find instructions on setting up and using your new mailbox at att.com/info or you can access your mailbox by dialing *98 from your home phone for further information. Also, **any saved messages currently stored on your current mail platform cannot be transferred to the new platform.** We recommend that you make audio recordings of any important messages you might have and wish to keep for future reference. You can also access your saved messages via <http://vm.att.com> and save them to your computer hard drive. **Please take appropriate action before the transition period.**

Next Steps

The transition period of your local service to AT&T North Carolina is scheduled **from October 29 through December 28, 2007.**

Prior to Your Transition

- If you wish to choose another AT&T local service plan, please call us at **1-866-412-4977 within 30 days of the date of this letter.**
- If you wish to switch to another local service provider, contact that provider **within 30 days of the date of this letter.**
- If you have AT&T Voice Mail service, take the appropriate action to save any desired messages stored on your current voice mail platform.

After Your Transition

Once your service has been established with AT&T North Carolina, you will receive a **welcome letter** confirming your new service and features, as well as any other products or services you may have ordered. Your welcome kit will also include product or service instructions for applicable AT&T North Carolina services.

Once your service has been established with AT&T North Carolina or another local service provider, you will receive:

- **a final bill** from AT&T Communications of the Southern States, LLC. Please return your final payment via the remittance document provided in your bill. Failure to pay your telephone bill may result in your account being referred to a collection agency.
- **a refund of any deposit (if applicable)** If you have a deposit for your local or long distance service, you will receive a refund of the deposit, including applicable interest, minus any amount due on your account when service is transferred. If a refund is due to you, you should receive it within 45 calendar days after receipt of your final bill.
