

BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE

March 19, 2008

IN RE:)
)
MEMORANDUM OF UNDERSTANDING BY AND) **DOCKET NO.**
BETWEEN VERIZON WIRELESS TENNESSEE) **07-00272**
PARTNERSHIP D/B/A VERIZON WIRELESS AND)
CROCKETT TELEPHONE COMPANY, INC.)

**ORDER APPROVING THE MEMORANDUM OF UNDERSTANDING
REGARDING MINIMUM OPERATING TERMS AND CONDITIONS**

This matter came before Director Tre Hargett, Director Sara Kyle and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on February 25, 2008 to consider, pursuant to 47 U.S.C. § 252, approval of the *Memorandum of Understanding Regarding Minimum Operating Terms and Conditions* ("Memorandum") for the provision of commercial mobile radio services negotiated between Crockett Telephone Company, Inc. ("Crockett") and Verizon Wireless Tennessee Partnership d/b/a Verizon Wireless filed on December 18, 2007. The *Memorandum* is an interim agreement entered into by the parties pending the negotiation and filing of a definitive interconnection and reciprocal compensation agreement.

Based upon a review of the *Memorandum*, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104 (2004).
- 2) The *Memorandum* is in the public interest as it provides consumers with alternative sources of telecommunications services within Crockett's service area.

3) The *Memorandum* is not discriminatory to telecommunications service providers that are not parties thereto.

4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection of a negotiated agreement exists, this finding should not be construed to mean that the *Memorandum* is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

5) No person or entity has sought to intervene in this docket.

6) The *Memorandum* is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104 (2004).

IT IS THEREFORE ORDERED THAT:

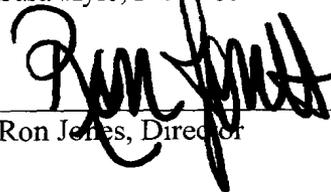

The *Memorandum of Understanding Regarding Minimum Operating Terms and Conditions* for the provision of commercial mobile radio services negotiated between Crockett Telephone Company, Inc. and Verizon Wireless Tennessee Partnership d/b/a Verizon Wireless is approved and is subject to the review of the Authority as provided herein.

Tre Hargett, Director

Sara Kyle, Director

Ron Jones, Director
