RE: Docket No. 08-00044, *Application of Access Fiber Group, Inc. for Certificate to Provide Competing Local Telecommunications Services in Tennessee.*

Dear Ms. Moses:

CLEC applicants are required, by statute, to demonstrate their managerial, financial and technical abilities to provide the services for which they seek authority. To assist the Authority in its review of Access Fiber Group, Inc.'s application for Certificate of Convenience and Necessity to provide competing local exchange and long distance telecommunications services in Tennessee, you are requested to provide the following information:

- 1) A copy of the certificate of authority issued to Access Fiber Group, Inc. by the Secretary of State in Tennessee. The petition submitted only included a copy of the application to the Secretary of State.
- 2) Will any voice grade services be offered by Access Fiber Group, Inc.? If so, will Access Fiber Group, Inc. provide white page directory listing, access to 911 services, free blocking for 900/976 calls, access to and support for the telecommunications relay center, Lifeline and Link Up and educational discounts existing on June 6, 1995?
- 3) Provide current financial statements for Access Fiber Group, Inc. The financials provided with the petition were projections only.
- 4) Provide proof of the contracts referenced in Exhibit F of the petition. Are there any other sources of funding for Access Fiber Group, Inc.'s Tennessee operations? If so, provide proof of the funding.
- 5) Have there been any complaints filed with any state or federal agency in the states where Access Fiber Group, Inc. is currently providing services?
- 6) Will Access Fiber Group, Inc. provide service to any residential customers?
- 7) Will Access Fiber Group, Inc. merely be the underlying provider of the infrastructure used by Verizon Business and Anniston Fiber Networks?
- 8) Provide a sample bill.
