TWENTIETH AMENDED CERTIFICATE OF FRANCHISE AUTHORITY

On August 22, 2014, pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (“CCVSA”), BellSouth Telecommunications, LLC, d/b/a AT&T Tennessee (“AT&T”) filed with the Tennessee Regulatory Authority (“TRA”) a *Twentieth Amendment to Certificate of Franchise Authority*. This amendment supplements certain municipalities and/or unincorporated areas within counties previously described within its application filed July 1, 2008 and previous amendments thereto.¹ As no basis for denial of the amendment under Tenn. Code Ann. § 7-59-305(i)(1) of the CCSVA has been alleged, the TRA hereby issues the Twentieth Amended Certificate of Franchise Authority to supplement the original Certificate of Franchise Authority issued to AT&T on August 5, 2008, and all amendments issued previously thereafter.

BE IT HEREBY AMENDED.

Earl R. Taylor
Executive Director

¹ Specifically, AT&T’s Twentieth Amendment to Certificate of Franchise Authority incorporates the Cities of Cowan, Dandridge, and Dayton, as well as the Counties of Cumberland, Greene, and Humphreys.
