Office of the Provost Marshal of the Post.

Jackson, Tenn., Augt 24th 1862.

Majr.

Herewith you are furnished enclosed a list of the names of prisoners now remaining in the Military prison of this Post. Also copies of their statements made while before me for investigation. The statements of Ward Beckham, Churchill & Wright should be compared with each other as they disclose an attempt to organize a Company of Rebs outside of our lines with recruits from Ky.

Respectfully
A. Bruce Major
& Provost Marshal

To Maj. Mudd
Dist. Provost Marshal.
