In regard to
Mr Morris
Mr Caspey
Mr Anthony

The undersigned citizens of Allen Allen County Ky State that we live in the immediate neighborhood of Star Rock and being requested to State what we have been frequent & almost daily visitors to that place Any we can State from our Knowledge that there has been no quarrels fuss or rowdyism about said place at any time

We further State that J. G. Anthony I E Elrod & R. L. Asply have each of them taken the oath of allegiance Anthony at Bowling Green Elrod at Camp Chase & Asply at Gallatin Tenn which we Know them to have been peaceable quiet citizens and we may conduct in their obligation

We further State that we are informed that the information derived from our Jackson Harrison & Ky citizen to their arrest We wish to say that so far as Harrison is concerned ~~we believe~~ that from our Knowledge of him that he is not Censurable because he is engaged in the very business he pretends to inform against

Mr Clymer we Know to have
been in the Southern army which
is enough to say on station to him

We can fully endorse the statements on the opposite page except that portion speaking of the taking of the oath. Our understanding thereof has been that Mr Moore was released from Camp Chase without having been required to take the oath, but we can say that since his return he has in every way conducted himself with propriety

New Roe Ky
August 19th 1863

The undersigned citizens of Kentucky & Tennessee in the immediate vicinity of New Roe being called upon to state what we have been for a number of years intimately acquainted with I. L. Anthony John C. Anthony & R. L. Asply now in the Military prison at Gallatin Tenn Anthony Jethroe having been sacred here & Asply having lived here for upwards of ten years

That no confederate soldier to our knowledge has at any time been sharbored about said town New Roe as we believe from our knowledge of what transpires in the neighborhood that either of the above named persons have been at any time in communication with Harper Breckenridge &c from our knowledge of their character and standing heretofore we believe them incapable of any such thing

We can further state that three each of the above named parties have taken the oath of allegiance (as each of them have) and they have been peaceable, quiet, citizens here to our knowledge or belief never violated their obligation each of them being particularly careful on that subject
