We the undersigned citizens of Knox Co
doe hereby Make Complaint that
the 10 Michigan Cavalry now Encamped
on flat creek near us is now com
mieting depredations on our property
they are carying of what little pitance
of forage such as straw and what little
hay we have left and unless this
is Stoped we can not Make crops
William Troutt is one instance and
N B Brice is another they Went to
the house of Mr Brice plast A
guard in front of his door and
kept him in while they stold Chicken
& turkeys Broke open smoke house took his
meat went to house on the opasite side
of the Road Broke open the Doar that
was locked and took or About 12 lbs of honeys
& dishes to cary the honey in then went
into kitchen last and took off irish
patatoes Molases and Diners other articles
and Robed his spring house then left
him with A threat that they would
Burn him up if he said any thing about
it These troops are encamped not far
from Strawbery plains Knox county
There is several other instances of their
having commited depredations on other
citizens Mr Brice has safe guard or
protection papers and shoud them to
those soldiers

N B Brice
John A McMillan

I have had great complaints of
them doing some of their doings

The 21st Tennessee is also taking or calling of our very small supply of Corn and hay can we not be permitted to keep this after we have made so great sacrifice and request to want for this our only chance to make crops
