Recommends Castleman and Bradford as good quiet Citizens

E.

Recorder's Office

Nashville May 13th 1864

Major Gen Rosecrans

Commanding Department

The Bearers Franklin Castleman & W. H. Broadfoot are citizens of this County, have not been in the Rebel army and have the reputation of good quiet citizens who have remained at home all the time with their families. They should receive all the favors granted by the Government.

You will do them

Respectfully

W. Shane
