To Brig. Gen.l R. P. Buckland, Commdg.
District of Memphis.

Your Petitioners John Morgan and Lunn F. Hill respectfully represent and show that on or about the 19th day of December A. D. 1861 in the City of Memphis and State of Tennessee a sale of certain carriages buggies &c.&c was held by one Howell E. Jackson signing himself "C.S. Receiver for state Tenn" who represented the goods to be the former property of one Danus J. Mix and to have been "registered under the Act of the Congress of the Confederate States of America".
That your Petitioners at said sale purchased some of said goods, and received from said Jackson a receipt therefor.
That said Danus J. Mix is now prosecuting a claim in the Provost Marshal's office against them for sums greater than by them paid for said goods at said sales.
Your Petitioners now ask that the said prosecutions may be referred to the Civil Commission where a fuller and more accurate investigation of said

claims may be had.
