## SCOPE AND CONTENT NOTE

The Robert Looney Caruthers White Autograph Collection consists of 134 autographs and autograph letters, 1783-1895, collected by R.L.C. White. With the exception of four items which are negative photostats, all items are original. Most signatures belong to authors, historians and statesmen, with the bulk composed of signatures of members of the U.S. Congress ca. 1860.

R.L.C. White was a resident of Wilson County, Tennessee, who was educated at Cumberland University, Nashville Medical College, and Jefferson Medical College. He served in the Confederate Army during the Civil War, and later served as editor of the Lebanon *Herald*. In 1883, he was elected Grand Keeper of the Records and Seal of the State of Tennessee.
