INTRODUCTION

Single photocopies of unpublished writings in the 114th Field Artillery, Battery "C" Reunion Association may be made for the purposes of scholarly research.

SCOPE AND CONTENT NOTE

The 114th Field Artillery, Battery "C" Reunion Association papers span the years 1959-1975 and consist of approximately 900 items. The collection was created and maintained by Wilbur F. Piper of Knoxville, Tennessee.

Mr. Piper was a Sergeant with the 114th during World War I and was largely responsible for the activities of the association for fifteen years. As such, the association papers reflect his activities. Mr. Piper produced the association's newsletter, alerted members of upcoming events and informed the membership of the annual meetings. He also served as the treasurer, receiving membership dues, recording paid members and reminding members to renew their membership.

The papers, arranged by Mr. Piper by date of reunion, have been left in their original order. Each folder contains the correspondence generated about the reunion, pertinent newspaper clippings, the minutes of the meeting and a list of those in attendance.

The last reunion organized by Mr. Piper was held September 6, 1975. Mr. Piper became ill and died in the early part of 1976. The reunion association was not continued after his death.
