## INTRODUCTION

The Eagleville Baptist Church (Rutherford County, Tennessee) Records, 1839-2009 were loaned to the Tennessee State Library and Archives on June 10, 2010 for microfilming purposes. After filming the records were returned to the church.

This collection includes the earliest records of the Eagleville Baptist church consisting of minute books, membership records, treasurer's ledgers, and Sunday School records. This collection also includes the minutes and membership records of a mission church, the Jackson Ridge Baptist Church from 1963-1965.

There are no restrictions on the use of the materials. Single copies of documents may be made for individual or scholarly use. For any commercial use, or where use may constitute a potential copyright infringement, please obtain permission from the owner of these records. This collection is available on microfilm only.
