SCOPE AND CONTENT NOTE

Record Group 153 contains the committee records for the Joint Business Tax Study Committee of the 95th General Assembly (1987-1988), State of Tennessee for the year of 1987. Sen. Leonard Dunavant (R-Millington) was chairman of this committee at this time. His office transferred the records of the committee for 1987 to the State Library and Archives in February, 1988, "for future reference and possible historical significance." These records contain memoranda, reports and correspondence used during the meetings of this study committee.

Researchers of this material should note that the TSLA Legislative Recording Program has recordings of this committee, which are available for use.
