5. Architect contractor sign for project Tennessee 5-7.
6. Detail for spacing of letters for Administration Community Building, Tennessee 5-7.
7. Map (street).
8. Preliminary plans for N.H.A. Project, 4<sup>th</sup> Street. Water and gas layout
9. Preliminary plans for N.H.A. Project, 4<sup>th</sup> Street. Sewer layout
10. Elevations (Sheet No. 2 of 5).
11. Floor plan and schedules (no. 1 of 5).
12. Elevations and details (no. 3 of 5).
13. Site plan diagram, Low Rent Housing Project, Tennessee 5-7.
14. Revised detail of project tablet “Sam Levy Homes” 1952.
15. Revised detail of project tablet (1953); electrical fixture change, building 32; revisions of pavement width, Foster St. (3 items).
16. Revised safe installation for building #52.
17. Addition of drainage pipes.
18. Retaining wall and fence, boundary line at alley 4301; fence along the east boundary line (supplementary drawing no. 2).
19. Revisions in location and/or grades of rear of rear walks to eliminate interference with electrical meters.
20. Sidewalk and curb revisions along Spring St. and Meridian St.
21. Map legend for preliminary and existing utilities.
22. (T-1) title page – for Low Housing Project, Tennessee 5-7.
23. (CE-1) project site plan.
24. (CE-2) site plan, section 1.
25. (CE-3) site plan, section 2.
26. (A-7) first and second floor plans, groups III and IV.
27. (CE-4) site plan, section 3.
28. (CE-5) site plan, section 4.
29. (CE-6) road profile and sections.
30. (CE-7) playground details.
31. (AF-1) elevations below first floor level, buildings 1-5 inclusive.
32. (AF-2) elevations below first floor level, buildings 6-13 inclusive.
33. (AF-3) elevations below first floor level, buildings 14-20 inclusive.
34. (AF-4) elevations below first floor level, buildings 21-27 inclusive.
35. (AF-5) elevations below first floor level, buildings 28-35 inclusive.
36. (AF-6) elevations below first floor level, buildings 36-43 inclusive.
37. (AF-7) elevations below first floor level, buildings 44-51 inclusive.

38. (A-1) plans and elevations, building type AR, AL.
39. (A-2) plans and elevations, building type B.
40. (A-3) plans and elevations, building type C.
41. (A-5) plans and elevations, building type E.
42. (A-4) plans and elevations, building type D, and type D-1.
43. (A-6) floor plans, group I and II
44. (A-8) wall sections and details.
45. (A-9) typical cross sections thru buildings.
46. (A-10) detail of breaks in buildings showing rake molds.
47. (A-11) stair details, for buildings A, B, D, D-1.
48. (A-12) section thru building C & E showing handrails.
49. (A-13) entrance details, door details, door and window schedules, closet details.
50. (A-14) storage closet details.
51. (A-15) kitchen details.
52. (A-16) details – bath and miscellaneous.
53. (A-17) details – tree wells, stone plaque and job sign.
54. (AM-1) foundation plan and sections, M.M.C. building.
55. (AM-2) floor plan and elevations, M.M.C. building; gas meter-house.
56. (AM-3) details and schedules M.M.C. building, building #53, finish schedule for all buildings 1 thru 55.
57. (S-1) foundation plan, slab schedule and detail, buildings AR & AL.
58. (S-2) foundation plan, slab schedule and detail, building type B.
59. (S-3) foundation plan, slab schedule and detail, building type C-E.
60. (S-4) foundation plan, slab schedule and detail, building types D-D-1.
61. (S-5) truss details.
62. (M-1) heating layout, group I and II.
63. (M-2) heating, groups III and IV.
64. (M-3) heating layout detail.
65. (M-4) plumbing plan, group II.
66. (M-5) plumbing plan, groups III and IV.
67. (M-6) heating and plumbing, maintenance–management community building.
68. (E-1) service and meter installation, buildings 1-31.
69. (E-2) electrical layout, groups I and II.
70. (E-3) electrical layout, groups III and IV.
71. (E-4) electrical layout, buildings 52 and 53.
72. (U-1) section 1, water and gas.
73. (U-2) section 2, water and gas.
74. (U-3) section 3, water and gas.
75. (U-4) section 4, water and gas.
76. (U-5) section 1, sewers (storm and sanitation).
77. (U-6) section 2, sewers (storm and sanitation).
78. (U-7) section 3, sewers (storm and sanitation).
79. (U-8) section 4, sewers (storm and sanitation).
80. (U-9) typical utility details.
81. (U-10) typical utility details.
82. Sub surface soil instigation plan – start with other page.

**NASHVILLE HOUSING AUTHORITY  
SUB SURFACE SOIL INVESTIGATION PLAN  
1950-1951**

Plan

1. Title paper.
2. Meridian Street site – system of horizontal control and location and elevation of bench marks.
3. Property line map – Meridian Street site.
4. Property line map – Meridian Street site.
5. Property line map – Meridian Street site.
6. Property line map – Meridian Street site.
7. Topographic map – Meridian Street site.
8. Topographic map – Meridian Street site.
9. Topographic map – Meridian Street site.
10. Topographic map – Meridian Street site.
11. Utility map – Meridian Street site.
12. Utility map – Meridian Street site.
13. Utility map – Meridian Street site.
14. Utility map – Meridian Street site.

Title Page: Plans showing survey – Meridian St. site consisting of property line, topographic and utility maps for the Nashville Housing Authority, Nashville Tennessee project number Tennessee 5-7. W. W. Turner Company, consulting engineers. Nashville Tennessee, December 15, 1950.
