SCOPE AND CONTENT NOTE

Record Group 193, Federal Campaign Disclosure Statements, covers the period 1974-1989. The group consists of Financial Disclosure Statements and Campaign reports of receipts and disbursements as are required under federal rules and regulations. These reports are filed with the Federal Election Commission and also with the State Elections Division.

The collection consists of Presidential Disclosure Statements, U.S. Senate and U.S. House of Representatives disclosures, concentrating on activities in Tennessee and candidates from Tennessee. Accompanying the statements are supporting schedules that describe in detail each section of the statements.

Record Group 193, Federal Campaign Statements, is an interesting way to look into the funding process of seeking election to public office.

Following the Series Index is a Name Index of all candidates included in the collection.
